**Initial Tender Offer and Panel Waiver; Contractual Bi-Annual Tender Offers;
adoption of the New Articles; Proposed Cancellation and Transfer;
and Notice of Extraordinary General Meeting**

1. INTRODUCTION

As promised in the circular published by the Company on 23 November 2020 (the “**2020 Circular**”), I am pleased to write to you today to provide details of, *inter alia*, a proposed programme of further tender offers to be implemented by the Company. The Board is also proposing to transfer the Company to the Specialist Fund Segment of the London Stock Exchange which will require application for the admission of the entire issued share capital of the Company to the Specialist Fund Segment and the cancellation of the admission of the Company’s Shares on the Premium Segment of the Official List.

Further details on these proposals are set out in this document and a notice convening the Extraordinary General Meeting at which the Company will seek the Shareholder approvals required to give effect to the Initial Tender Offer, the Proposed Cancellation and Transfer and the adoption of the New Articles and is set out at the end of this document.

2. BACKGROUND

In December 2017 the Company made a number of changes, including to broaden its Investment Policy from a largely Qatar-focussed investment strategy to a broader Gulf Cooperation Council (“**GCC**”) focussed investment strategy, in order to capture the opportunities for growth by the expanding GCC economies by investing in listed (or soon to be listed) companies on one of the GCC exchanges.

At that time, the Board made a commitment to Shareholders to implement a tender offer in 2020, formalised in the 2020 Circular to Shareholders, which completed earlier this year with approximately 44 per cent. of the issued share capital being tendered. In light of the support from the balance of Shareholders, the Company and the Investment Adviser committed to implement the following proposals:

Semi-annual liquidity mechanism

Details of the proposed programme of further tender offers to be implemented by the Company are set out below.

Enhanced dividend policy

The Board has introduced an enhanced dividend policy targeting an annual dividend equivalent to 4 per cent. of Net Asset Value at the end of the preceding year, barring any unforeseen circumstances. The first semi-annual dividend for the year ended 2021 is expected to be paid in June 2021.

Cost reduction program

Effective from 1 January 2021, the fees paid to the Investment Adviser have been reduced from 0.9 per cent. of net assets to 0.8 per cent. of net assets. In addition, the annual fees paid to each Director have been reduced by 30 per cent. with effect from 1 January 2021.

Deferral of the continuation vote

Details of the proposed deferral to 2023 of the continuation vote to be put to Shareholders at the annual general meeting to be held in 2021, which will require the adoption of the New Articles, are set out below.

The Board and the Investment Adviser continue to believe the GCC offers attractive growth opportunities for investors and continue to view the future of the Company with confidence, expecting healthy growth in the region as a whole.

Since December 2017, the Company's Net Asset Value per Share has increased by 52.1 per cent., from US\$1.0145 at 7 December 2017 to US\$1.5427 (unaudited) as at 11 March 2021 (being the date of the latest available unaudited NAV per Share prior to the publication of this document). This compares to the 28.9 per cent. increase in the Company's benchmark, the S&P GCC Index, over the same period. In addition, the Company has paid dividends totalling 12 cents per Share during the same period. Including dividends, Shareholders have enjoyed a total return of 67.2 per cent. compared to 45.6 per cent. from the S&P GCC Index. The Company's return of 67.2 per cent. compares to the peer-group's average return of 34.2 per cent. The Company's share price currently trades at a 8.0 per cent. discount to NAV.

Further information about the Company's performance, prospects and the future proposals described above is set out in Part 2 (The Company's Performance and Prospects) of this document.

3. TENDER OFFERS

The Company is proposing to implement a programme of bi-annual tender offers to be launched in March and September each year, in each case for up to 100 per cent. of each Shareholder's holding of Shares as at the relevant Record Date (each a "**Contractual Bi-Annual Tender Offer**"), in each case subject to a minimum size condition as described further below. Shareholders on the Register at the relevant Record Date will be invited to either (i) continue their full investment in the Company; or (ii) save for Restricted Shareholders, tender some or all of their Shares held at that date. The Directors believe that the implementation of the Contractual Bi-Annual Tender Offers should provide those Shareholders who want it with the additional liquidity they require going forward.

The Company intends to seek the requisite authorities required from its Shareholders to undertake the Contractual Bi-Annual Tender Offers at each Annual General Meeting, the 2021 AGM being the first such meeting at which such authorities will be sought, and to renew those authorities annually at each Annual General Meeting thereafter. The terms and conditions applicable to each Contractual Bi-Annual Tender Offer, if made, are set out in Part 3 (*Tender Terms and Conditions*) of this document and will also be contained, along with certain other specific details in connection with the Contractual Bi-Annual Tender Offers in a given 12 month period, including all relevant deadlines, in a circular to be distributed to Shareholders accompanying the notice convening each Annual General Meeting (each such circular being an "**AGM Circular**").

As the 2021 AGM is expected to be convened for a date in November 2021, and following completion of the recent tender offer in January 2021, in order to be able to offer the tender offer to Shareholders in September 2021 the Company is required to convene an additional extraordinary general meeting (the "**Extraordinary General Meeting**") to seek the authorities required to implement a first tender offer in September 2021 (the "**Initial Tender Offer**"). The notice convening the Extraordinary General Meeting is set out at the end of this document (the "**Notice of Extraordinary General Meeting**").

As it would not be in the interests of Shareholders to be invested in a sub-scale illiquid fund, the Company shall not be obliged to proceed with any Tender Offer where the Directors, in their sole discretion, believe the result of the Tender Offer would reduce the Company to such a size that it would no longer be fit for purpose (the "**Minimum Size Condition**"). The Minimum Size Condition in respect of the Initial Tender Offer shall be a post Initial Tender Offer share capital of not less than 38,000,000 Shares (the "**Initial Tender Offer Minimum Size Condition**"). In the event that applications are received in respect of the Initial Tender Offer such that the number of Shares remaining in issue following completion of the Initial Tender Offer will be less than 38,000,000 Shares,

meaning that the Initial Tender Offer Minimum Size Condition could not be met, the Initial Tender Offer shall not proceed. The Company will announce via a Regulatory Information Service on the relevant Confirmation Date whether the Initial Tender Offer Minimum Size Condition has been met and, accordingly, whether the Initial Tender Offer will proceed.

A Minimum Size Condition will be set in respect of each Tender Offer, as described in paragraph 2.4 of Part 3 (*Tender Terms and Conditions*) of this document. In the event the Minimum Size Condition is not met in respect of any Tender Offer, that Tender Offer will not proceed. The Directors will instead put forward proposals to Shareholders for the Company to be wound up with a view to returning cash to Shareholders or to enter into formal liquidation. The Company will announce via a Regulatory Information Service on the relevant Confirmation Date whether or not the relevant Tender Offer will proceed.

The process for inviting Shareholders to participate in a Tender Offer (including the Initial Tender Offer in due course) and announcing, among other things, the relevant Minimum Size Condition and the determination of the relevant Tender Price for such Tender Offer is set out in paragraph 4 of Part 3 (*Tender Terms and Conditions*) of this document.

Shareholders should note that completion of the Initial Tender Offer is conditional on, *inter alia*, the Initial Tender Offer Resolution and the Whitewash Resolution to be proposed at the Extraordinary General Meeting being passed. Completion of any subsequent Contractual Bi-Annual Tender Offer is conditional on, *inter alia*, the required shareholder authorities to be proposed at the Annual General Meeting in respect of the relevant subsequent 12 month period being passed.

4. PANEL WAIVER

As at the Latest Practicable Date the Investment Adviser held 17,319,759 Shares representing 33.4 per cent. of the voting rights in the Company and has indicated to the Board that it does not intend to tender any of its Shares pursuant to the Initial Tender Offer.

Subject to the final size of the Initial Tender Offer and the other assumptions set out in paragraph 2 (*The Investment Adviser*) of Part 4 (*Considerations under the Takeover Code and Panel Waiver*), the Investment Adviser could hold up to 45.6 per cent. of the share capital of the Company following completion of the Initial Tender Offer, which may result in the Investment Adviser being required to make a Rule 9 Offer in cash to the remaining Shareholders to acquire their Shares pursuant to the Takeover Code.

However, the Panel has agreed to waive such obligation to make a Rule 9 Offer, subject to the approval of the Whitewash Resolution, to be proposed at the Extraordinary General Meeting, by Independent Shareholders voting on a poll. The Initial Tender Offer is conditional on, *inter alia*, the Whitewash Resolution being passed. The Initial Tender Offer Resolution is conditional upon the passing of the Whitewash Resolution and so will therefore have the benefit of the Panel Waiver.

Part 4 (*Considerations under the Takeover Code and Panel Waiver*) of this document sets out further information in relation to the Investment Adviser and the steps the Company has taken to procure a waiver from the requirements of Rule 9 of the Takeover Code in connection with the implementation of the Initial Tender Offer.

The Panel Waiver obtained in respect of the Initial Tender Offer will expire at the same time as the shareholder authority sought to implement the Initial Tender Offer pursuant to the Initial Tender Offer Resolution. Until such time as the Investment Adviser's shareholding exceeds 50 per cent. of the voting rights in the Company, it is the Directors' intention to seek an annual renewal of the Panel Waiver from the Panel in respect of any obligation that may arise on a Shareholder to make a Rule 9 Offer as a consequence of the implementation of a Contractual Bi-Annual Tender Offer, the first such renewal to be sought in advance of the 2021 AGM. Subject to a further Panel waiver being obtained, the Company will seek approval of such waiver at the 2021 AGM, at the same time as seeking shareholder authority to implement the first two Contractual Bi-Annual Tender Offers for the subsequent 12 month period. Thereafter it is the Directors' intention to seek an annual waiver from the Panel (if required) and Shareholder approval of that waiver at each Annual General Meeting. However, the Directors cannot guarantee that such a waiver will be obtained or that the relevant Shareholder or Shareholders would not be required to make a general offer to the remaining Shareholders to acquire their Shares.

5. PROPOSED CANCELLATION AND TRANSFER

As a result of the Company's recent tender offer, the Shares ceased to be compliant with the "public hands" requirement of the Listing Rules (which, broadly, stipulates that 25 per cent. of the shares of each class in a listed company should be held by shareholders who are neither directors nor holders who own more than a 5 per cent. holding each). This development has been notified to the FCA, who have agreed to modify temporarily the relevant Listing Rule to permit a decreased level of shares in public hands for a period up until 8 September 2021, or completion of the Proposed Cancellation and Transfer described below (whichever is the earlier). During this time the Company will continue to monitor its share register and keep the FCA informed of any relevant developments as well as working towards restoring the number of shares in public hands.

In light of this, the Board is therefore recommending the cancellation of the Shares' listing on the Premium Segment and to transfer the admission to trading of the Shares to the Specialist Fund Segment. Whilst the Premium Segment offers a highly regulated investment platform for investors, the Board has considered that the relatively high costs associated with an admission to the Premium Segment, alongside the ongoing eligibility requirements with which the Company will need to comply as the Board plans for the future of the Company, mean that an alternative listing venue for the Shares would be in Shareholders' interests.

The Specialist Fund Segment is a dedicated market for specialist closed ended investment funds targeting institutional, professional and knowledgeable investors (including those who are professionally advised) who understand, or have been advised of, the potential risk of investing in companies admitted to the Specialist Fund Segment. There can be no assurance that an active or liquid trading market for the Shares will develop or, if developed, that it will be maintained following the Company's admission to the SFS. As such, a Shareholder's ability to sell Shares in the market may be restricted once the Shares are admitted to the SFS. In particular, retail Shareholders should consider whether the SFS will provide the liquidity they may require and whether to sell their Shares prior to the Company's transfer to the SFS. Shareholders will also have the ability to tender Shares and exit their investment in the Company pursuant to the Tender Offers. Shareholders who are in any doubt as to the action they should take should consult an appropriate independent professional adviser.

The SFS has been designed to suit a range of highly specialised funds, including private equity funds, feeder funds, hedge funds, both single and multi-strategy, specialist geographical funds, funds with sophisticated structures or security types, specialist property funds, infrastructure funds, sovereign wealth funds and single strategy funds.

The proposed transfer to the Specialist Fund Segment will require the cancellation of the existing listing of the Shares on the Premium Segment and to trading on the Main Market and an application for admission of the Shares to trading on the Specialist Fund Segment.

Under LR 5.2.5 of the Listing Rules, the cancellation of the Company's admission to the Premium Segment of the Official List requires the Company to obtain the prior approval for such cancellation of not less than 75 per cent. of all independent Shareholders who vote in person or by proxy at a general meeting. Therefore, the Proposed Cancellation and Transfer Resolution being proposed at the Extraordinary General Meeting to approve the Proposed Cancellation and Transfer is being proposed as a special resolution and will be carried out by way of a poll.

If the Proposed Cancellation and Transfer Resolution is passed, the Board proposes to make an application to the FCA and the London Stock Exchange respectively for the cancellation of the Company's listing on the Premium Segment and its trading on the Main Market and an application to the London Stock Exchange for admission of the Shares to trading on the Specialist Fund Segment. It is expected that the last day of dealings in the Shares on the Main Market will be 18 May 2021 and the Proposed Cancellation and Transfer will take effect at 8.00 a.m. on 19 May 2021, being not less than 20 Business Days from the passing of the Proposed Cancellation and Transfer Resolution. Accordingly, admission of the Shares to trading on the Specialist Fund Segment is expected to take place, and dealings in Shares are expected to commence on the Specialist Fund Segment, at 8.00 a.m. on 19 May 2021.

Once admitted to trading on the Specialist Fund Segment, the Company will no longer be required by the Listing Rules to ensure that 25 per cent. of the Shares are publicly held (as defined by the Listing Rules) at all times, however there is still a requirement to meet the eligibility criteria in the

Admission and Disclosure Standards applicable to Specialist Fund Segment, including maintaining an appropriate level of Shares in public hands.

Further information about the implications of the Proposed Cancellation and Transfer are set out in Part 5 (*Implications of the Proposed Cancellation and Transfer*) of this circular and Shareholders are advised to read that Part 5 in full.

6. NEW ARTICLES

At present, pursuant to the Existing Articles a continuation vote is required to be held at the 2021 AGM. In light of the proposed Initial Tender Offer and introduction of the Contractual Bi-Annual Tender Offers, the Board has already indicated that it proposes to defer the continuation vote to 2023.

The details of the continuation vote will otherwise remain unchanged, requiring the Company to propose an ordinary resolution that the Company continues in existence to be put forward at the end of the Annual General Meeting to be held in 2023. In the event that the continuation resolution is not passed the Directors will be required to put forward proposals to Shareholders to the effect that the Company be wound up, liquidated, reorganised or unitised. If the continuation vote is passed, notwithstanding the implementation of the Contractual Bi-Annual Tender Offers or any additional discount and liquidity mechanisms that may be implemented by the Board, a further continuation vote will be proposed at every third Annual General Meeting thereafter.

A special resolution to adopt the New Articles will be proposed at the Extraordinary General Meeting (the “**New Articles Resolution**”).

A copy of the New Articles will be available for inspection on the Company’s website, <https://www.gulfinvestmentfundplc.com/publications/> and at the offices of Stephenson Harwood LLP at 1 Finsbury Circus, London EC2M 7SH, United Kingdom between the hours of 9.00am and 5.00pm (Saturdays, Sundays and public holidays excepted), from the date of the Notice of Extraordinary General Meeting until the close of the Extraordinary General Meeting, and will also be available for inspection at the venue of the Extraordinary General Meeting from 15 minutes before and during the Extraordinary General Meeting. Inspection of this document may only take place in accordance with measures imposed in connection with the COVID-19 pandemic.

7. EXTRAORDINARY GENERAL MEETING

A notice convening the Extraordinary General Meeting is set out at the end of this document. The Extraordinary General Meeting has been convened for 11.00 a.m. on 19 April 2021 to take place at the offices of the Company’s Administrator, Mainstream Fund Services (IOM) Limited, at Millennium House, 46 Athol Street, Douglas, Isle of Man IM1 1JB. At the Extraordinary General Meeting, Shareholders will be asked to consider and, if thought fit, pass the following Resolutions:

Whitewash Resolution

The Whitewash Resolution is an ordinary resolution to be taken on a poll by the Independent Shareholders to waive the obligation on the Investment Adviser which would otherwise arise under Rule 9 of the Takeover Code as a result of the implementation of the Initial Tender Offer. The Investment Adviser has undertaken not to vote on the Whitewash Resolution.

Initial Tender Offer Resolution

The Initial Tender Offer Resolution, which is conditional, on the Whitewash Resolution the Proposed Cancellation and Transfer Resolution and the New Articles Resolution being passed, is an ordinary resolution requiring, on a show of hands, more than 50 per cent. of Shareholders voting to vote in favour of the Initial Tender Offer Resolution in order to be passed or, on a poll, votes in favour of the Initial Tender Offer Resolution to be cast by holders of more than 50 per cent. of the Shares that are voted on the Initial Tender Offer Resolution.

Proposed Cancellation and Transfer Resolution

The Proposed Cancellation and Transfer Resolution will be proposed as a special resolution. As the Investment Adviser holds 33.4 per cent. of the Shares, the Proposed Cancellation and Transfer Resolution requires a majority of the votes attaching to the Shares of Shareholders who are independent of the Investment Adviser to be voted, whether in person or by proxy, in favour of the resolution in order for it to be passed. Voting on the Proposed Cancellation and Transfer Resolution will be undertaken by way of a poll.

New Articles Resolution

Subject to the passing of the Whitewash Resolution and the Initial Tender Offer Resolution, the New Articles Resolution will be proposed as a special resolution requiring not less than 75 per cent. of Shareholders voting to vote in favour in order to be passed or, on a poll, votes in favour to be cast by holders of not less than 75 per cent. of the Shares which are voted on the resolution.

Shareholders are advised that, given current restrictions imposed by the Isle of Man Government in response to the global COVID-19 pandemic, it may not be possible to attend the Extraordinary General Meeting in person. Shareholders are therefore strongly encouraged to complete and return the Form of Proxy accompanying this document appointing the chairman of the Extraordinary General Meeting as their proxy.

8. ACTION TO BE TAKEN

Form of Proxy in connection with the Extraordinary General Meeting

You are requested to complete the accompanying Form of Proxy in accordance with the instructions printed thereon and return it to be received by post or by hand (only during normal business hours) by the Company's Administrator, Mainstream Fund Services (IOM) Limited, at Millennium House, 46 Athol Street, Douglas, Isle of Man IM1 1JB, so as to arrive as soon as possible and, in any event, not later than 11.00 a.m. on 17 April 2021.

8.2 *Uncertificated shares*

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. Further guidance on how to appoint a proxy or proxies through CREST can be found in the notes to the Notice of Extraordinary General Meeting set out at the end of this document.

9. RISKS RELATING TO THE PROPOSALS

In addition to the other relevant information set out in this document, the Directors consider that the specific risks set out in Part 9 (Risks relating to the Proposals) of this document should be considered carefully by Shareholders when deciding how to cast their votes at the Extraordinary General Meeting.

Shareholders who are in any doubt as to the contents of this document or as to the action to be taken should immediately seek their own personal financial advice from their independent professional adviser authorised under the Financial Services and Markets Act 2000 (as amended).

10. TAXATION

The summary contained in Part 7 (Taxation in the United Kingdom) of this document is general in nature and not exhaustive. It does not constitute tax advice. Shareholders should carefully consider and take independent professional advice as to the consequences for them of the Initial Tender Offer.

Shareholders who are in any doubt as to their tax position or who are subject to tax in a jurisdiction other than the UK should consult an appropriate independent professional adviser. It should also be noted that Shareholders who are temporarily non-resident in the UK may, under anti-avoidance legislation, still be liable to UK tax on capital gains and, therefore, should seek professional advice.

11. RESTRICTED SHAREHOLDERS AND OTHER OVERSEAS SHAREHOLDERS

The attention of Restricted Shareholders and Overseas Shareholders is drawn to paragraph 11 (*Restricted Shareholders and other Overseas Shareholders*) of Part 3 (*Tender Terms and Conditions*). No Tender Offer shall be made to Shareholders who are resident in, or citizens of, Restricted Territories. Restricted Shareholders are being excluded from the Tender Offers to avoid infringing

applicable local laws and regulations relating to the implementation of the Tender Offers. Accordingly, copies of this document and any related documents are not being, and must not be, mailed or otherwise distributed in or into Restricted Territories.

It is the responsibility of all Overseas Shareholders to satisfy themselves as to the observance of any legal or regulatory requirements in their jurisdiction, including, without limitation, any relevant requirements in relation to the ability of such Overseas Shareholders to participate in a Tender Offer.

12. INDEPENDENT ADVICE PROVIDED TO THE DIRECTORS

Panmure Gordon has provided formal advice to the Directors, in accordance with the requirements of paragraph 4(a) of Appendix 1 of the Takeover Code, in relation to the Initial Tender Offer and the Whitewash Resolution. Such advice was provided by Panmure Gordon to the Directors only and, in providing such advice, Panmure Gordon has taken into account the Directors' commercial assessments.

Panmure Gordon confirms that it, and any person who is or is presumed to be acting in concert with it, is independent of the Investment Adviser and has no personal, financial or commercial relationship, or arrangements or understandings with the Investment Adviser.

13. IRREVOCABLE UNDERTAKING

The Investment Adviser has provided an irrevocable undertaking to the Company that for so long as it holds the right to exercise voting rights attaching to 30 per cent. or more of the issued share capital of the Company it shall exercise such voting rights in favour of any resolution proposed in order to give effect to the Contractual Bi-Annual Tender Offers. Accordingly, the Investment Adviser will vote in favour of the Initial Tender Offer Resolution at the Extraordinary General Meeting. The Investment Adviser will not be permitted to vote on the Whitewash Resolution and has undertaken to the Company that it will not do so.

14. RECOMMENDATION

The Board, having been advised by Panmure Gordon, considers the terms of the Whitewash Resolution and the Initial Tender Offer Resolution to be fair and reasonable and in the best interests of Shareholders as a whole. **Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Whitewash Resolution and the Initial Tender Offer Resolution to be proposed at the Extraordinary General Meeting**, as Nicholas Wilson, being the only Director that holds beneficial interests in Shares, intends to do in respect of his holding of Shares, which amounted to 39,600 Shares representing approximately 0.07 per cent. of the Share Capital as at the Latest Practicable Date.

Further, **the Board unanimously recommends that Shareholders vote in favour of the Proposed Cancellation and Transfer Resolution and the New Articles Resolution to be proposed at the Extraordinary General Meeting**, and Nicholas Wilson also intends to vote in favour of these resolutions in respect of his holding of Shares, as described above.

None of the Company, its Directors, officers nor advisers, nor any of their respective affiliates, makes, and this letter is not, a recommendation to any Shareholder to tender any or all of its Shares in the Initial Tender Offer or any Contractual Bi-Annual Tender Offer. Whether or not Shareholders decide to tender any of their Shares will depend, among other things, on their individual circumstances, including their tax position, and on their view of the Company's prospects. Nicholas Wilson has confirmed he will not participate in the Initial Tender Offer. The Investment Adviser has also indicated its intention to remain invested in the Company and will not participate in the Initial Tender Offer.

Shareholders in any doubt as to the action they should take should consult an appropriately qualified independent financial adviser, authorised under the Financial Services and Market Act 2000 (as amended), without delay.

Yours faithfully,

Nicholas Wilson
Chairman

THE COMPANY'S PERFORMANCE AND PROSPECTS

1. THE COMPANY'S PERFORMANCE AND PROSPECTS

GCC markets update

2020 was an extraordinary year for the global markets. The unprecedented stimulus measures and vaccine breakthroughs following the COVID-19 crash led to a rapid rebound in stocks sending them to record highs. The MSCI World Index gained 14.1 per cent. The MSCI Emerging Markets Index followed global markets higher, up 15.8 per cent. Brent recovered at the end of the year but still closed the year 21.5 per cent. lower than at the start of 2020.

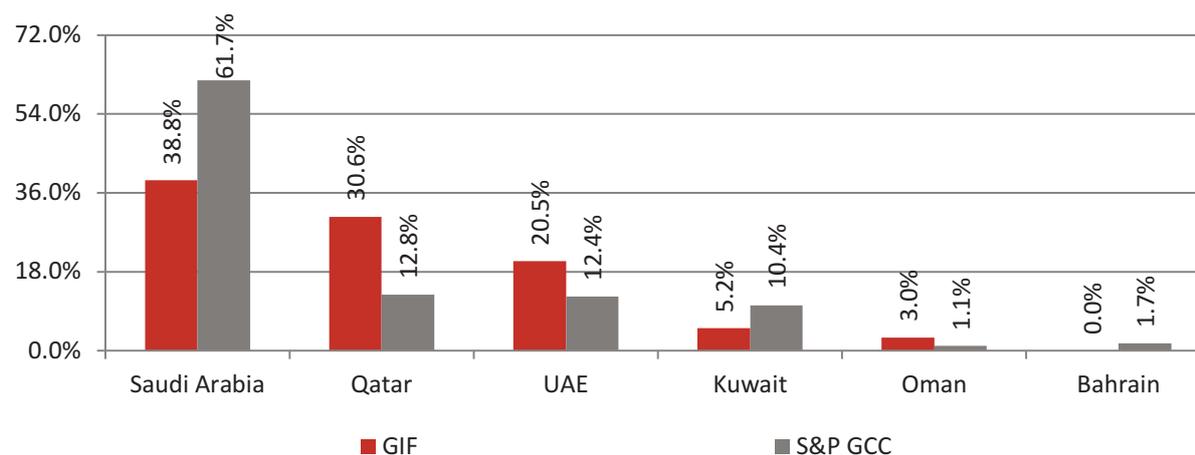

GCC markets had a mixed performance in 2020. Most remained in the red for much of the year, hit by COVID-19 and the decline in oil price. Saudi Arabia outperformed its GCC peers, gaining 3.6 per cent. in 2020, while Qatar was flat in 2020 and other GCC markets ended the year in the red.

Company portfolio update (as at 11 March 2021)

The Company's weightings in GCC markets are based on the Investment Adviser's assessment of outlook and valuation. PART 3

TENDER TERMS AND CONDITIONS

1. TENDER OFFERS

- 1.1 Subject to Shareholder approval, all Shareholders (other than Restricted Shareholders) on the Register as at the relevant Record Date may tender some or all of their Shares held at the relevant Record Date for purchase by the Company on and subject to the terms and conditions set out in this document, the relevant AGM Circular, the relevant Tender Offer Announcement and, in respect of Shareholders holding their Shares in certificated form, the relevant Tender Form.
- 1.2 This document, AGM Circulars, Tender Offer Announcements and Tender Forms for use in connection with a Tender Offer will be available to download from the Company's website at <https://www.gulfinvestmentfundplc.com/publications/> and will be available in hard copy upon request from the Registrar.
- 1.3 The terms and conditions of the Initial Tender Offer are as set out in this Part 3 and will be set out in the Tender Offer Announcement to be released by the Company in connection with the Initial Tender Offer. The terms and conditions of each Contractual Bi-Annual Tender Offer will be contained in the relevant AGM Circular and Tender Offer Announcement and will be substantially the same as set out in this Part 3, but will provide the specific terms, including all relevant dates for Shareholder actions, for each of the Contractual Bi-Annual Tender Offers to which that AGM Circular and Tender Offer Announcement relate (in each case, the "**Tender Terms and Conditions**").
- 1.4 Changes of a technical or administrative nature to the Tender Terms and Conditions may be made at the Directors' discretion and will be published on the Company's website at <https://www.gulfinvestmentfundplc.com/publications/>. Shareholders accepting a Tender Offer will be deemed to have accepted such changes, if any.
- 1.5 In respect of a Tender Offer, each Shareholder (other than Restricted Shareholders) will be entitled to tender up to 100 per cent. of such Shareholder's holding of Shares entered on the Register as at the relevant Record Date. Shareholders are not obliged to tender any Shares during a Tender Offer. If Shareholders wish to continue their existing investment in the Company at the same level, they should not return a Tender Form or TTE Instruction in respect of a Tender Offer.
- 1.6 Tender Purchases will be made at the Tender Price. The Company will calculate the Tender Price for a Tender Offer in accordance with the provisions set out in paragraph 4 of this Part 3. The calculations approved by the Directors will be conclusive and binding on all Shareholders. The consideration for each Tender Purchase will be paid in accordance with the settlement procedures set out in paragraph 6.4 of this Part 3.
- 1.7 Subject to a Tender Offer becoming unconditional and unless such Tender Offer has been terminated, the Company will purchase the validly and successfully tendered Shares of Shareholders in accordance with the Tender Terms and Conditions.

2. CONDITIONS, SUSPENSION AND TERMINATION

- 2.1 In structuring the Tender Offers, the Board has sought to provide a mechanism through which to provide liquidity to those Shareholders that want it and, for those Shareholders who wish to continue their investment in the Company, to provide some assurance as to its minimum size. Whether tender offers are made and the Company's authority to undertake tender offers is conditional on certain Shareholder approvals being obtained in the case of the Initial Tender Offer at the Extraordinary General Meeting and in the case of a Contractual Bi-Annual Tender Offer at the relevant Annual General Meeting.
- 2.2 The Initial Tender Offer is subject to the following conditions:
 - 2.2.1 the approval by Independent Shareholders of the Whitewash Resolution to be proposed at the Extraordinary General Meeting;

- 2.2.2 the approval by Shareholders of the Initial Tender Offer Resolution to be proposed at the Extraordinary General Meeting. The authority sought through the Initial Tender Offer Resolution will not affect the Company's existing authority to repurchase its own Shares, granted at the Company's Annual General Meeting held on 20 November 2020, in respect of up to 14.99 per cent. of the Company's issued share capital (excluding treasury shares) as at 25 September 2020 (being 13,859,940 Shares) which will remain in force and will be unaffected by the Tender Offer;
 - 2.2.3 the approval by Shareholders of the Proposed Cancellation and Transfer Resolution to be proposed at the Extraordinary General Meeting;
 - 2.2.4 the Initial Tender Offer Minimum Size Condition – the Company will announce via a Regulatory Information Service on the Confirmation Date whether the Initial Tender Offer Minimum Size Condition has been met and, accordingly, whether the Initial Tender Offer will proceed;
 - 2.2.5 the Company satisfying the distributable profits requirements under Isle of Man law at the time of the Initial Tender Offer; and
 - 2.2.6 the Initial Tender Offer not having been terminated in accordance with this paragraph 2.2 of this Part 3 prior to the fulfilment of the conditions referred to in sub-paragraphs 2.2.1 to 2.2.5 above.
- 2.3 Whether Tender Offers are made pursuant to, and the Company's authority to operate, the Contractual Bi-Annual Tender Offers in a given 12 month period is conditional on:
- 2.3.1 if required, the approval by the relevant independent Shareholders at the time of the Annual General Meeting of the resolution proposed to renew the Panel's waiver of any Rule 9 Offer obligation that may arise as a consequence of the Contractual Bi-Annual Tender Offers to be implemented;
 - 2.3.2 approval by Shareholders of the ordinary resolution to be proposed to give the Company authority to undertake the Contractual Bi-Annual Tender Offers;
 - 2.3.3 the relevant Minimum Size Condition, determined in accordance with paragraph 2.4 of this Part 3, being met;
 - 2.3.4 the Company satisfying the distributable profits requirements under Isle of Man law at the time of the relevant Tender Offer;
 - 2.3.5 the satisfaction of any other terms and/or conditions relating to a Tender Offer as may be set out in the relevant AGM Circular and/or Tender Offer Announcement; and
 - 2.3.6 the relevant Tender Offer not having been terminated in accordance with this paragraph 2.3 of this Part 3 or the terms set out in the relevant AGM Circular and/or Tender Offer Announcement prior to the fulfilment of the conditions referred to in sub-paragraphs 2.3.1 to 2.3.5 above and any other conditions that may be set out in the relevant AGM Circular and/or Tender Offer Announcement.
- 2.4 It would not be in the interests of Shareholders to be invested in a sub-scale illiquid fund. Accordingly, the Company shall not be obliged to proceed with any Tender Offer where the relevant Minimum Size Condition is not met. A Minimum Size Condition will be set annually at the time Shareholder approval is sought in respect of the Contractual Bi-Annual Tender Offers for a given 12 month period and will be communicated to Shareholders in the relevant AGM Circular. In the event that validly completed Tender Forms are received in relation to a Tender Offer in respect of such aggregate number of Shares which means that the relevant Minimum Size Condition applicable to such Tender Offer cannot be met, the Directors will instead put forward proposals to Shareholders for the Company to be wound up with a view to returning cash to Shareholders or to enter into formal liquidation. The Company will not purchase Shares pursuant to a Tender Offer unless the applicable conditions have been satisfied in full (or waived, where applicable).
- 2.5 If the Directors, at any time prior to effecting the purchase of the Tendered Shares in respect of a Tender Offer consider, in their opinion acting reasonably that (i) there has occurred a change in national or international financial, economic, political or market conditions such that it has either become impractical or inappropriate for the Company to dispose of its investments

without materially harming Shareholders as a whole, including amongst other things, the cost of realisation of investments having become excessive, (ii) the completion of the purchase of Shares under the relevant Tender Offer would have unexpected adverse fiscal consequences (whether by reason of a change in legislation or practice or otherwise) for the Company or its Shareholders if such Tender Offer were to proceed, or (iii) it is no longer in the best interests of the Company or Shareholders to proceed with a Tender Offer, the Company may either terminate the Tender Offer or postpone the completion of the Tender Offer for up to 30 Business Days, after which the Tender Offer, if and to the extent not then completed by reason of the postponement circumstances continuing, will lapse.

3. ANNOUNCEMENT OF A TENDER OFFER AND RELEVANT MINIMUM SIZE CONDITION

- 3.1 In respect of each Tender Offer, the Company will release, via a Regulatory Information Service, an announcement to extend to Shareholders the invitation to participate in that Tender Offer (a “**Tender Offer Announcement**”). Each Tender Offer Announcement will confirm, among other things, the relevant Record Date, the relevant Closing Date, the relevant Minimum Size Condition and the expected timetable in respect of that Tender Offer. The Minimum Size Condition in respect of the Initial Tender Offer is the Initial Tender Offer Minimum Size Condition stated in paragraph 3 (*Tender Offers*) of Part 1 (*Letter from the Chairman*) of this document.
- 3.2 A Tender Offer Announcement will also state the relevant Confirmation Date, being the date on which the Company will announce details of the aggregate number of Shares in respect of which validly completed Tender Forms have been received, whether the relevant Minimum Size Condition has been met and therefore whether the relevant Tender Offer will proceed. If the Minimum Size Condition is not satisfied a Tender Offer will not proceed. If the Minimum Size Condition is satisfied all of the Company’s assets and liabilities will be valued and allocated between the Continuing Pool and the Tender Pool on the basis set out under paragraph 4 (Tender Price) below.

4. TENDER PRICE

- 4.1 The Tender Price will be calculated in accordance with this paragraph 4 and will be announced once all the assets in the Tender Pool have been fully realised which will be as soon as practicable after the commencement of the realisation of the Tender Pool.
- 4.2 The assets and liabilities of the Company will be allocated between the Continuing Pool and the Tender Pool on the Calculation Date by the Directors (in consultation with the Company’s advisers) on the basis set out below.
- 4.3 The Tender Offer Formula Asset Value is an amount representing the proportionate value of the Company attributable to the Tendered Shares and will be calculated on the Calculation Date on the following basis:

Tender Offer Formula Asset Value = (i) NAV per Share on Calculation Date
multiplied by
(ii) the number of Tendered Shares

- 4.4 The Tender Offer Formula Asset Value determines the initial allocation of assets to the Tender Pool after which it will be operated as described below.
- 4.5 Following the allocation of assets and liabilities to the Continuing Pool and the Tender Pool, the Board will instruct the Investment Adviser to commence realisation of the assets comprising the Tender Pool.
- 4.6 The Tender Pool will bear all costs associated with the realisation of such assets and in order to implement the Tender Offer. The Tender Pool will also bear its share of the operating costs of the Company on a *pro rata* basis. All changes in value of the assets allocated to the Tender Pool will be attributable solely to the Tender Pool. Following the date upon which all of the assets comprising the Tender Pool have been fully realised, and all liabilities to be borne by the Tender Pool (other than any stamp duty or stamp duty reserve tax payable) met, the Directors will select a date upon which the Final Tender Offer Asset Value of the Tender Pool will be calculated (the “**Tender Pool Determination Date**”).

- 4.7 The Final Tender Offer Asset Value will equal the unaudited Net Asset Value of the assets in the Tender Pool on the Tender Pool Determination Date (which for the avoidance of doubt will take account of the costs of realisation of the Tender Pool) less any stamp duty or stamp duty reserve tax arising on the repurchase of Shares by the Company. The Tender Pool Determination Date will be as soon as practicable following realisation of the assets in, and accounting for liabilities (other than any stamp duty or stamp duty reserve tax to be payable) to be borne by, the Tender Pool.
- 4.8 If prior to the Tender Pool Determination Date the non-cash assets remaining in the Tender Pool represent 10 per cent. or less of the Tender Pool's initial value and the Directors believe that it would be in the best interests of the Tendering Shareholders to complete the realisation of the Tender Pool, they will direct the Investment Adviser to sell the remaining assets of the Tender Pool at the best price available, failing which such assets will be transferred to the Continuing Pool at a price to be determined by the Directors taking into account the fact that the assets cannot otherwise be fully realised in a timely and value-effective manner.
- 4.9 The Tender Price will be determined by the Company (in consultation with its advisers) as soon as practicable after the assets in the Tender Pool have been fully realised and all the liabilities (including the costs of implementing the Initial Tender Offer and the Contractual Bi-Annual Tender Offers, as appropriate) to be borne by the Tender Pool have been accounted for. The Tender Price will be an amount equal to the Final Tender Offer Asset Value divided by the total number of Tendered Shares (rounded down to four decimal places) in each case on the Tender Pool Determination Date.
- 4.10 The Tender Price will be paid to Shareholders in US Dollars and will be effected by the despatch of cheques drawn on an account of a branch of a United Kingdom clearing bank, or the crediting of CREST accounts as appropriate.

Allocation of assets to the Continuing Pool and the Tender Pool

- 4.11 The assets and liabilities of the Company will be allocated between the Continuing Pool and the Tender Pool on the Calculation Date by the Directors (in consultation with the Company's advisers) on the basis set out below:
- 4.11.1 all liabilities recognised in the Company's accounting records will be allocated to the Continuing Pool;
- 4.11.2 all debtors and other receivables will be allocated to the Continuing Pool;
- 4.11.3 any investments whose quotation has been suspended and any other assets which the Directors consider it would be inappropriate to transfer to the Tender Pool (for example, stocks subject to corporate actions) will be allocated to the Continuing Pool at the value reflected in the accounting records (which will reflect the Directors' assessment of fair value);
- 4.11.4 all quoted investments, other than those included under paragraph 4.11.3 above, and such other investments as the Directors determine, will be allocated *pro rata* between the Continuing Pool and the Tender Pool by reference to the respective values of each pool. For such purposes the calculations will be rounded to the nearest whole number of securities for each security so allocated or otherwise as the Directors determine; and
- 4.11.5 the near cash assets of the Company will be divided in whatever proportion is necessary such that the net assets attributable to the Tender Pool are equal to the Tender Offer Formula Asset Value and the net assets attributable to the Continuing Pool are equal to the Net Asset Value of the Company less the Tender Offer Formula Asset Value.
- 4.12 In allocating and/or valuing assets and liabilities pursuant to this paragraph 4, the Directors shall be entitled, in any case where the proper allocation of an asset or liability is in doubt, or where the valuation of any asset or liability in accordance with any of the above provisions is, in the opinion of the Directors, incorrect or unfair, to adopt an alternative basis of allocation or method of valuation (as the case may be) and to allocate assets as the Directors fairly consider.

- 4.13 The net asset value of the assets and liabilities allocated on the establishment of the Tender Pool will equal the Tender Offer Formula Asset Value (calculated in accordance with this paragraph 4). The Company's assets and liabilities will be valued as at the Calculation Date and thereafter allocated between the Continuing Pool and the Tender Pool on the basis set out above. The Investment Adviser will be instructed by the Board to realise the assets allocated to the Tender Pool as soon as possible.
- 4.14 The Tender Pool will bear the costs of realising the assets in the Tender Pool and the amount of any stamp duty or stamp duty reserve tax payable on the repurchase by the Company of the Shares. Shareholders who validly tender some or all of their Shares will receive a *pro rata* share of the net proceeds of the Tender Pool, less associated costs. The assets of the Tender Pool will be fully realised as soon as practicable after the commencement of the realisation of the Tender Pool such that final cash payments can be made to the Tendering Shareholders as soon as practicable thereafter. However, under the Tender Offer the Company reserves the right to defer the Tender Pool realisations and/or cash payments if the Board believes this to be in the best interests of Shareholders as a whole.
- 4.15 If prior to the Tender Pool Determination Date the non-cash assets remaining in the Tender Pool represent 10 per cent. or less of the Tender Pool's initial value and the Directors believe that it would be in the best interests of the Tendering Shareholders to complete the realisation of the Tender Pool, they will direct the Investment Adviser to sell the remaining assets of the Tender Pool at the best price available, failing which such assets will be transferred to the Continuing Pool at a price to be determined by the Directors taking into account the fact that the assets cannot otherwise be fully realised in a timely and value-effective manner.
- 4.16 The Investment Adviser will prepare, or procure the preparation of, the calculation of the Net Asset Value, the Tender Offer Formula Asset Value, the value of the Tender Pool, the Final Tender Offer Asset Value and the Tender Price, all of such calculations shall be subject to review and approval by the Board (in consultation with its advisers). In the event of a dispute regarding any such calculations, such dispute will be determined by a chartered accountant selected by agreement between the Company and the Investment Adviser, or, in default of such agreement, within 14 days of the relevant date on which the calculation is made, selected by the President for the time being of the Institute of Chartered Accountants in England and Wales. Such chartered accountant will act as an expert and not as an arbitrator and their determination shall be final and legally binding on all parties, provided that any such chartered accountant will be bound by any basis of allocation or method of valuation agreed between the Investment Adviser and the Company.

5. PROCEDURE FOR TENDERING SHARES

- 5.1 There are different procedures for tendering Shares depending on whether the Shares are held in certificated or uncertificated form (i.e. in CREST).
- 5.2 Shareholders (other than Restricted Shareholders) who hold Shares in certificated form must complete, sign and return a Tender Form in accordance with paragraph 5.4 below and the instructions printed on the Tender Form.
- 5.3 If the Shares are held in uncertificated form (i.e. in CREST) they may be tendered only by sending a TTE Instruction in accordance with the procedure set out in paragraph 5.5 below. Shareholders should send separate TTE Instructions for Shares held under different member account IDs.
- 5.4 **Shares held in certificated form (that is, not in CREST)**
- 5.4.1 To tender your Shares held in certificated form, you must complete, sign and return a Tender Form together with the relevant share certificate(s) and/or other documents of title in accordance with the instructions printed on the Tender Form (which shall be deemed to form part of the relevant Tender Offer).
- 5.4.2 Shareholders (other than Restricted Shareholders) should complete separate Tender Forms for Shares held in certificated form but under different designations. The share certificate(s) and/or other document(s) of title should be returned with the relevant Tender Form(s). Additional Tender Forms will be available from the Receiving Agent, whose details are provided in this document and will be provided in the relevant AGM

Circular and Tender Offer Announcement, and on the Company's website at <https://www.gulfinvestmentfundplc.com/publications/>.

- 5.4.3 The completed and signed Tender Form should be sent either by post or by hand (during normal business hours only) to the Receiving Agent so as to arrive as soon as possible and in any event not later than the relevant Closing Date. Tender Forms received after this time may be rejected. No acknowledgement of receipt of documents will be given. Any Tender Form received in an envelope postmarked from a Restricted Territory or otherwise appearing to the Company or its agents to have been sent from any Restricted Territory may be rejected as an invalid tender. Further provisions relating to Restricted Shareholders are contained in paragraph 11 (*Restricted Shareholders and other Overseas Shareholders*) of this Part 3.
- 5.4.4 If your share certificate(s) and/or other document(s) of title are not readily available (for example, if they are with your stockbroker, bank or other agent), the Tender Form should nevertheless be completed, signed and returned as described above so as to be received by the Receiving Agent no later than the relevant Closing Date together with any share certificate(s) and/or other document(s) of title you may have available, accompanied by a letter stating that the (remaining) share certificate(s) and/or other document(s) of title will be forwarded as soon as possible thereafter and, in any event, no later than the relevant Closing Date.
- 5.4.5 The Receiving Agent, acting as your agent, will effect such procedures as are required to transfer your Shares to the Company under the Tender Offer.
- 5.4.6 If you have lost your share certificate(s) and/or other document(s) of title, you should write to the Receiving Agent at Link Group, Corporate Actions, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL to request a letter of indemnity in respect of the lost share certificate(s) which, when completed in accordance with the instructions given, should be returned to the Receiving Agent to the same address so as to be received no later than the relevant Closing Date.

5.5 **Shares held in uncertificated form (that is, in CREST)**

- 5.5.1 If the Shares you wish to tender are held in uncertificated form do not complete a Tender Form. You should take (or procure to be taken) the action set out below to transfer (by means of a TTE Instruction) the number of Shares which you wish to tender in respect of a Tender Offer to an escrow balance, specifying the Receiving Agent in its capacity as a CREST receiving agent under its participant ID (referred to below) as the escrow agent, as soon as possible and, in any event, so that the TTE Instruction settles not later than the relevant Closing Date.
- 5.5.2 If you are a CREST sponsored member, you should refer to your CREST sponsor before taking any action. Your CREST sponsor will be able to confirm details of your participant ID and the member account ID under which your Shares are held. In addition, only your CREST sponsor will be able to send the TTE Instruction to Euroclear UK & Ireland in relation to the Shares which you wish to tender.
- 5.5.3 You should send (or, if you are a CREST sponsored member, procure that your CREST sponsor sends) a TTE Instruction to Euroclear UK & Ireland, which must be properly authenticated in accordance with Euroclear UK & Ireland's specification and which must contain, in addition to other information that is required for the TTE Instruction to settle in CREST, the following details:
- the ISIN number of the Shares which is IM00B1Z40704;
 - the number of uncertificated Shares to be transferred to an escrow balance;
 - your member account ID;
 - your participant ID;
 - the participant ID of the escrow agent, Link Group in its capacity as a CREST receiving agent, which is RA10;
 - the member account ID of the escrow agent, Link Group in its capacity as a CREST receiving agent, which is 21178GUL;

- the Corporate Action Number for the Tender Offer. This is allocated by Euroclear UK & Ireland and can be found by viewing the relevant corporate action details in CREST;
 - the intended settlement date for the TTE Instruction;
 - input with the standard delivery instruction, priority 80; and
 - a contact telephone number to be inserted in the shared note field.
- 5.5.4 After settlement of the TTE Instruction, you will not be able to access the Shares concerned in CREST for any transaction or for charging purposes, notwithstanding that they will be held by the Receiving Agent as your escrow agent until completion or termination or lapsing of the relevant Tender Offer. If a Tender Offer becomes wholly unconditional, the Receiving Agent will transfer the Shares which are accepted for purchase by the Company to itself as the Shareholder's agent for onward sale to the Company.
- 5.5.5 You are recommended to refer to the CREST Manual published by Euroclear UK & Ireland for further information on the CREST procedures outlined above.
- 5.5.6 In addition, you should arrange separate TTE Instructions for Shares held in uncertificated form but under different member account IDs.
- 5.5.7 You should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular corporate action. Normal system timings and limitations will therefore apply in connection with a TTE Instruction and its settlement. You should therefore ensure that all necessary action is taken by you (or by your CREST sponsor) to enable a TTE Instruction relating to your Shares to settle prior to the relevant Closing Date. In connection with this, you are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 5.5.8 Normal CREST procedures (including timings) apply in relation to any Shares that are, or are to be, converted from uncertificated to certificated form, or from certificated to uncertificated form, during the course of a Tender Offer (whether such conversion arises as a result of a transfer of Shares or otherwise). Shareholders who are proposing to convert any such Shares are recommended to ensure that the conversion procedures are implemented in sufficient time to enable the person holding or acquiring the Shares as a result of the conversion to take all necessary steps in connection with such person's participation in the Tender Offer (in particular, as regards delivery of share certificates and/or other documents of title or transfer to an escrow balance as described above) prior to the relevant Closing Date.

5.6 **Validity of Tender Forms and TTE Instructions**

- 5.6.1 Notwithstanding the powers in paragraph 11.5 of this Part 3 below, the Company reserves the right to treat as valid only Tender Forms and TTE Instructions which are received entirely in order by the relevant Closing Date, which are accompanied (in the case of Shares held in certificated form) by the relevant share certificate(s) and/or other document(s) of title or a satisfactory indemnity in lieu in respect of the entire number of Shares tendered.
- 5.6.2 Notwithstanding the completion of a valid Tender Form or sending of a TTE Instruction, a Tender Offer may be suspended, terminate or lapse in accordance with the Tender Terms and Conditions.
- 5.6.3 The decision of the Company as to which Shares have been validly tendered shall be conclusive and binding on Shareholders who participate in a Tender Offer.

5.7 **Information on procedure for tendering**

If you have any queries regarding the procedure for tendering your Shares please contact the Company's Receiving Agent on +44 (0)371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Different charges may apply to calls from mobile telephones. Calls from outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding

public holidays in England and Wales. Please note that the Receiving Agent cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

6. ANNOUNCEMENT OF THE RESULTS OF A TENDER OFFER, THE TENDER PRICE AND SETTLEMENT

- 6.1 Unless terminated in accordance with the Tender Terms and Conditions, a Tender Offer will close for Shareholders on the relevant Closing Date. On the relevant Confirmation Date, the Company will release an announcement via a Regulatory Information Service informing Shareholders of the aggregate number of Shares in respect of which Tender Requests have been made. If the Directors, in their sole discretion, decide not to proceed with the relevant Tender Offer for the reasons described in paragraph 2.4 above, the relevant Tender Offer will not proceed. In such event, the Directors will instead put forward proposals to Shareholders for the Company to be wound up with a view to returning cash to Shareholders or to enter into formal liquidation. If the relevant Tender Offer is to proceed, the Directors will make arrangements for all of the Company's assets and liabilities will be valued and allocated between the Continuing Pool and the Tender Pool on the basis set out in paragraph 4 above.
- 6.2 Delivery of cash to Shareholders for the Shares to be purchased pursuant to a Tender Offer will be made by the Receiving Agent. The Receiving Agent will act as agent for Tendering Shareholders for the purpose of receiving the cash and transmitting such cash to Tendering Shareholders. Interest will not be paid on the cash to be paid by the Company regardless of any delay in making such payment.
- 6.3 If any Tendered Shares are not purchased because of an invalid tender, the lapse or termination of a Tender Offer or otherwise, relevant share certificate(s) evidencing any such Shares and other document(s) of title, if any, will be returned or sent by post at such Shareholder's risk as promptly as practicable, to the relevant tendering Shareholder, or, in the case of Shares held in uncertificated form (that is, in CREST), the Receiving Agent will provide instructions to Euroclear UK & Ireland to transfer all Shares held in escrow balances by TFE Instruction to the original available balances to which those Shares relate.
- 6.4 For each Tender Offer, settlement of the consideration to which any Shareholder is entitled pursuant to valid tenders accepted by the Company is expected to be made as follows in accordance with the timetable set out by the Company in respect of that particular Tender Offer:

6.4.1 Shares held in certificated form (that is, not in CREST)

Where an accepted tender relates to Shares held in certificated form, cheques for the consideration due will be despatched by the Receiving Agent by first class post to the person or agent whose name and address is set out in Box 1 (or, if relevant, Box 4A or 4B of the Tender Form), or if none is set out, to the registered address of the tendering Shareholder or, in the case of joint holders, the address of the first named. All cash payments will be made in US Dollars by cheque drawn on a UK clearing bank.

6.4.2 Shares held in uncertificated form (that is, in CREST)

Where an accepted tender relates to Shares held in uncertificated form, the consideration due will be paid through CREST by the receiving agent (on behalf of the Company) procuring the creation of a CREST payment in favour of the tendering Shareholder's payment bank in accordance with the CREST payment arrangements.

6.4.3 Timing of settlement

The payment of any consideration to Shareholders for Tender Purchases will be made only after the relevant TTE Instruction has settled or (as the case may be) timely receipt by the Receiving Agent of share certificate(s) and/or other requisite document(s) of title evidencing such Shares and any other documents required for a Tender Offer.

- 6.5 If only part of a holding of Shares is sold pursuant to a Tender Offer then:

- 6.5.1 where the Shares are held in certificated form (that is, not in CREST), the relevant Shareholder will be entitled to receive a certificate in respect of the balance of the remaining Shares; and

- 6.5.2 where the Shares are held in uncertificated form (that is, in CREST), unsold Shares will be transferred by Link Group by means of a TFE Instruction to the original available balance from which those Shares came.
- 6.6 The Tender Price will be announced by the Company once all the assets in the Tender Pool have been fully realised which will be as soon as practicable after the commencement of the realisation of the Tender Pool. Tender Purchases will result in the relevant number of Shares purchased being cancelled and therefore the percentage voting rights attached to the remaining Shares in issue will increase proportionately. Accordingly, the RIS announcements will also contain information notifying Shareholders of the percentage increase in voting rights attaching to each of the Shares remaining in issue.

7. REPRESENTATIONS AND WARRANTIES – TENDERS BY MEANS OF A TENDER FORM

- 7.1 Each Shareholder by whom, or on whose behalf, a Tender Form is executed irrevocably undertakes, represents, warrants and agrees to and with the Company (so as to bind itself and its personal representatives, heirs, successors and assigns) that:
- 7.1.1 the execution of the Tender Form shall constitute an offer to sell to the Company such Shareholder's entire holding of Shares if Box 2A is completed, or such number of Shares as is inserted in Box 2B of the Tender Form, in each case, on and subject to the terms and conditions set out or referred to in this document and the Tender Form and that, once lodged, such offer shall be irrevocable;
- 7.1.2 if in the Company's determination, in its absolute discretion, an entry has been made in Box 2B which is greater than the number of Shares held by the Shareholder to whom the Tender Form relates as at the relevant Record Date, then, provided that the Tender Form is otherwise in order and accompanied by all other relevant documents, the tender will be deemed to be a tender in respect of all the Shares held by that Shareholder as stated in Box 1;
- 7.1.3 such Shareholder has full power and authority to tender, sell, assign or transfer the Shares in respect of which such offer is accepted (together with all rights attaching thereto) and, when the same are purchased by the Company, they will acquire such Shares with full title guarantee and free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights attaching thereto on or after the relevant Closing Date, including the right to receive all dividends and other distributions declared, paid or made after that date;
- 7.1.4 the execution of the Tender Form will, subject to the Tender Offer becoming wholly unconditional, constitute the irrevocable appointment of any Director or officer of the Company as such Shareholder's attorney and/or agent ("**attorney**"), and an irrevocable instruction to the attorney to complete and execute all or any instruments of transfer and/or other documents at the attorney's discretion in relation to the Shares referred to in paragraph 7.1.1 above in favour of the Company or such other person or persons as the Company may direct and to deliver such instrument(s) of transfer and/or other documents at the discretion of the attorney, together with the share certificate(s) and/or other document(s) relating to such Shares, for registration within six months of the Tender Offer becoming unconditional and to do all such other acts and things as may in the opinion of such attorney be necessary or expedient for the purpose of, or in connection with, the Tender Offer and to vest such Shares in the Company or its nominee(s) or such other person(s) as the Company may direct;
- 7.1.5 such Shareholder agrees to ratify and confirm each and every act or thing which may be done or effected by the Company or any of its Directors or officers or any person nominated by the Company in the proper exercise of its or their powers and/or authorities hereunder;
- 7.1.6 such Shareholder will deliver to the Receiving Agent their share certificate(s) and/or other document(s) of title in respect of the Shares referred to in paragraph 7.1.1 above, or an indemnity acceptable to the Company in lieu thereof, or will procure the delivery of such document(s) to the Receiving Agent as soon as possible thereafter and, in any event, no later than the relevant Closing Date;

- 7.1.7 such Shareholder shall do all such acts and things as shall be necessary or expedient and execute any additional documents deemed by the Company to be desirable, in each case to complete the purchase of the Shares and/or to perfect any of the authorities expressed to be given hereunder;
 - 7.1.8 if such Shareholder is an Overseas Shareholder, (a) he is not in a Restricted Territory or in any territory in which it is unlawful to make or accept the Tender Offer, (b) he has fully observed any applicable legal and regulatory requirements of the territory in which such Overseas Shareholder is resident or located, and (c) the invitation under the Tender Offer may be made to and accepted by him under the laws of the relevant jurisdiction;
 - 7.1.9 such Shareholder has not received or sent copies or originals of this document or an AGM Circular or Tender Offer Announcement or Tender Form or any related documents to a Restricted Territory and has not otherwise utilised in connection with a Tender Offer, directly or indirectly, the mails or any means or instrumentality (including, without limitation, facsimile transmission, internet, telex and telephone) of interstate or foreign commerce, or of any facility of a national securities exchange, of any Restricted Territory, that the Tender Form has not been mailed or otherwise sent in, into or from any Restricted Territory and that such Shareholder is not tendering any Shares pursuant to a Tender Offer from any Restricted Territory;
 - 7.1.10 the provisions of the Tender Form shall be deemed to be incorporated into the Tender Terms and Conditions;
 - 7.1.11 the despatch of a cheque in respect of the Tender Price to a Shareholder at his/her registered address or such other address as is specified in the Tender Form will constitute a complete discharge by the Company of its obligations to make such payment to such Shareholder;
 - 7.1.12 on execution the Tender Form takes effect as a deed; and
 - 7.1.13 the execution of the Tender Form constitutes such Shareholder's submission to the non-exclusive jurisdiction of the High Court of England and Wales (the "**Court**") in relation to all matters arising out of or in connection with the relevant Tender Offer or Tender Form.
- 7.2 A reference in this paragraph 7 to a Shareholder includes a reference to the person or persons executing the Tender Form and in the event of more than one person executing a Tender Form, the provisions of this paragraph will apply to them jointly and to each of them.

8. REPRESENTATIONS AND WARRANTIES – TENDERS THROUGH CREST

- 8.1 Each Shareholder by whom, or on whose behalf, a tender through CREST via a TTE Instruction is made irrevocably undertakes, represents, warrants and agrees to and with the Company (so as to bind itself and its personal representatives, heirs, successors and assigns) that:
 - 8.1.1 the input of the TTE Instruction shall constitute an offer to sell to the Company such number of Shares as are specified in the TTE Instruction or deemed to be tendered, in each case, on and subject to the terms and conditions set out or referred to in this document and that once the TTE Instruction has settled, such offer shall be irrevocable;
 - 8.1.2 such Shareholder has full power and authority to tender, sell, assign or transfer the Shares in respect of which such offer is accepted (together with all rights attaching thereto) and, when the same are purchased by the Company, it will acquire such Shares with full title guarantee and free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights attaching thereto, on or after the relevant Closing Date including the right to receive all dividends and other distributions declared, paid or made after that date;
 - 8.1.3 the input of the TTE Instruction will, subject to the relevant Tender Offer becoming unconditional, constitute the irrevocable appointment of the Receiving Agent as the escrow agent for the Tender Offer and an irrevocable instruction and authority to the Receiving Agent: (i) subject to the Tender Offer becoming wholly unconditional, to

transfer to itself by means of CREST and then to transfer to the Company by means of CREST all of the Relevant Shares (as defined below) in respect of which the Tender Offer is accepted or deemed to be accepted, or to provide all or any instructions on behalf of the relevant Shareholder in respect of transferring the Relevant Shares (as defined below) in CREST to such person or persons as the Company may direct, in each case not exceeding the number of Shares which have been tendered pursuant to the Tender Offer; and (ii) if the Tender Offer is terminated or does not become unconditional and lapses, or there are Shares which have not been successfully tendered under the Tender Offer, to give instructions to Euroclear UK & Ireland, as promptly as practicable after such lapse, termination or unsuccessful tender, to transfer Relevant Shares to the original available balances from which those Shares came. For the purposes of this paragraph, "**Relevant Shares**" means Shares in uncertificated form in respect of which a transfer or transfers to escrow has or have been effected pursuant to the procedures described in this paragraph;

- 8.1.4 such Shareholder agrees to ratify and confirm each and every act or thing which may be done or effected by the Company or any of its Directors or any person nominated by the Company or the Receiving Agent in the proper exercise of its powers and/or authorities hereunder;
 - 8.1.5 such Shareholder shall do all such acts and things as shall be necessary or expedient and execute any additional documents deemed by the Company to be desirable, in each case to complete the purchase of the Shares and/or to perfect any of the authorities expressed to given hereunder;
 - 8.1.6 if such Shareholder is an Overseas Shareholder, (a) he is not in the Restricted Territories or in any territory in which it is unlawful to make or accept the Tender Offer, (b) he has fully observed any applicable legal and regulatory requirements of the territory in which such Overseas Shareholder is resident or located, and (c) the Overseas Shareholder has ensured that the invitation under the Tender Offer may be made to and accepted by him under the laws and regulations of the relevant jurisdiction;
 - 8.1.7 such Shareholder has not received or sent copies or originals of this document or any related documents to a Restricted Territory and has not otherwise utilised in connection with the Tender Offer, directly or indirectly, the mails or any means of instrumentality (including, without limitation, facsimile transmission, internet, telex or telephone) or interstate or foreign commerce, or of any facility of a national securities exchange, of any Restricted Territory, and that such Shareholder is not tendering any Shares pursuant to the Tender Offer from any Restricted Territory;
 - 8.1.8 the creation of a CREST payment in respect of the Tender Price in favour of such Shareholder's payment bank in accordance with the CREST payment arrangements as referred to in paragraph 6.4.2 of this Part 3 will constitute a complete discharge by the Company of its obligations to make such payment to such Shareholder; and
 - 8.1.9 the input of the TTE Instruction constitutes such Shareholder's submission to the non-exclusive jurisdiction of the Court in relation to all matters arising out of or in connection with the Tender Offer or the TTE Instruction.
- 8.2 If the appointment of the Receiving Agent as escrow agent for the Tender Offer under paragraph 8.1.3 above shall be unenforceable or invalid or shall not operate so as to afford the benefit or authority expressed to be given in paragraph 8.1.3, the Shareholder shall with all practicable speed do all such acts and things and execute all such documents that may be required to enable Link Group to secure the full benefits of paragraph 8.1.3 above.
- 8.3 If, for any reason, any Shares in respect of which a TTE Instruction has been made are, prior to the relevant Closing Date, converted into certificated form, the tender through CREST in respect of such Shares shall cease to be valid and the Shareholder will need to comply with the procedures for tendering Shares in certificated form as set out in this Part 3 in respect of the Shares so converted, if it wishes to make a valid tender of such Shares pursuant to the Tender Offer.

9. Additional provisions

- 9.1 Each Shareholder (other than a Restricted Shareholder) will be entitled, subject to the Tender Terms and Conditions, to have accepted in a Tender Offer valid tenders to the Company. In respect of Shares held in certificated form, if in the Company's determination (in its absolute discretion) Box 2 of the Tender Form has not been validly completed in respect of the number of Shares to be tendered and provided that the Tender Form is otherwise in order and accompanied by all other relevant documents, a Shareholder may be deemed to have accepted the Tender Offer in respect of all of the Shares being tendered by the Tendering Shareholder. For the avoidance of doubt, if the number of Shares inserted in Box 2B of the Tender Form is higher than the number of Shares actually held by the Tendering Shareholder on the relevant Record Date or the relevant Closing Date, the Tendering Shareholder will be deemed to have tendered such lower number of Shares.
- 9.2 Shares sold by Shareholders pursuant to a Tender Offer will be acquired with full title guarantee and free from all liens, charges, encumbrances, equitable interests, rights of pre-emption or other third party rights of any nature and together with all rights attaching thereto on or after the relevant Closing Date, including the right to receive all dividends and other distributions declared, paid or made after that date.
- 9.3 Each Shareholder who tenders or procures the tender of Shares will thereby be deemed to have agreed that, in consideration of the Company agreeing to process its tender, such Shareholder, will not revoke its tender or withdraw its Shares. Shareholders should note that once tendered, Tendered Shares may not be sold, transferred, charged or otherwise disposed of pending completion of the relevant Tender Offer.
- 9.4 Any omission to despatch this document, an AGM Circular, a Tender Offer Announcement or the Tender Form or any notice required to be despatched under the terms of a Tender Offer to, or any failure to receive the same by, any person entitled to participate in a Tender Offer shall not invalidate a Tender Offer in any way or create any implication that a Tender Offer has not been made to any such person.
- 9.5 No acknowledgement of receipt of any Tender Form, TTE Instruction, share certificate(s) and/or other document(s) of title will be given. All communications, notices, certificates, documents of title and remittances to be delivered by or sent to or from Shareholders (or their designated agents) will be delivered by or sent to or from such Shareholders (or their designated agents) at their own risk.
- 9.6 All powers of attorney and authorities on the terms conferred by or referred to in this Part 3 or in the Tender Form are given by way of security for the performance of the obligations of the Shareholders concerned and are irrevocable in accordance with section 4 of the Powers of Attorney Act 1971.
- 9.7 Subject to paragraphs 10 (*Miscellaneous*) and 11 (*Restricted Shareholders and other Overseas Shareholders*) below, all tenders by Shareholders holding their Shares in certificated form must be made on the relevant prescribed Tender Form, fully completed in accordance with the instructions set out thereon which constitute part of the Tender Terms and Conditions of a Tender Offer. A Tender Form or TTE Instruction will only be valid when the procedures contained in the Tender Terms and Conditions are complied with. Each Tender Offer will be governed by and construed in accordance with the laws of England and Wales.
- 9.8 If a Tender Offer is terminated or lapses in accordance with the Tender Terms and Conditions, all documents lodged pursuant to a Tender Offer will be returned promptly by post, within 14 Business Days of the Tender Offer terminating or lapsing, to the person or agent whose name and address is set out in Box 1 or, if relevant, Box 4A or 4B of the Tender Form or, if none is set out, to the tendering Shareholder or, in the case of joint holders, the first named at his or her registered address as shown in Box 1. In the case of Shares held in uncertificated form, the Receiving Agent in its capacity as the escrow agent will, within 14 Business Days of a Contractual Quarterly Tender terminating, give instructions to Euroclear to transfer all Shares held in escrow balances and in relation to which it is the escrow agent for the purposes of a Contractual Quarterly Tender by TFE Instruction to the original available balances from which those Shares came. In any of these circumstances, Tender Forms and TTE Instructions will cease to have any effect.

- 9.9 The instructions, terms, provisions and authorities contained in or deemed to be incorporated in the Tender Form shall constitute part of the Tender Terms and Conditions. The definitions set out in this document, an AGM Circular or a Tender Offer Announcement (as applicable) apply to all Tender Terms and Conditions of Tender Offers to which that document relates, including the Tender Form.
- 9.10 Subject to paragraphs 10 (*Miscellaneous*) and 11 (*Restricted Shareholders and other Overseas Shareholders*) below, a Tender Offer is open to Shareholders on the Register at the relevant Record Date and will close at the relevant Closing Date. Tender Forms, share certificate(s) and/or other document(s) of title or indemnities or TTE Instructions received after that time may be accepted or rejected by the Company in its absolute discretion.
- 9.11 Further copies of this document, AGM Circulars, Tender Offer Announcements and copies of the Tender Form may be obtained on request from the Company's website at <https://www.gulfinvestmentfundplc.com/publications/> and the Receiving Agent on +44 (0)371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Different charges may apply to calls from mobile telephones. Lines are open from 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Link Group cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.
- 9.12 Each Shareholder tendering Shares in a Tender Offer represents, warrants and confirms to the Company that it has observed all relevant legislation and regulations, in particular (but without limitation) that relate to anti-money laundering (the “**Anti-Money Laundering Legislation**”), and, in all such cases, its offer to tender Shares in a Tender Offer is made on the basis that it accepts full responsibility for any and all such requirements under the Anti-Money Laundering Legislation and warrants and represents that such requirements have been satisfied, and each Shareholder tendering Shares in a Tender Offer acknowledges that, due to money laundering prevention requirements operating within their respective jurisdictions, the Company, the Administrator, the Registrar and the Receiving Agent for the relevant Tender Offer may require proof of addresses and identity or corporate existence, as applicable, before an offer to tender Shares can be processed and that each of the Company, the Administrator and the Registrar shall be held harmless and indemnified by each such Shareholder against any loss ensuing due to the failure to process a Shareholder's offer to tender Shares if such information as has been required, has not been provided by it.

10. MISCELLANEOUS

- 10.1 Any change to the terms, or any extension or termination of a Tender Offer will be followed as promptly as practicable by a public announcement thereof no later than 1.00 p.m. on the Business Day following the date of such changes. Such an announcement will be released via a Regulatory Information Service. References to the making of an announcement by the Company includes the release of an announcement on behalf of the Company by Panmure Gordon to the press and delivery of, or telephone or facsimile or other electronic transmission of, such announcement to a Regulatory Information Service.
- 10.2 All Tendered Shares bought back by the Company will be cancelled.
- 10.3 Except as contained in this document, an AGM Circular or a Tender Offer Announcement no person has been authorised to give any information or make any representations with respect to the Company or any Tender Offer and, if given or made, such other information or representations should not be relied on as having been authorised by the Company. Under no circumstances should the delivery of this document, an AGM Circular, a Tender Offer Announcement or the delivery of any consideration pursuant to a Tender Offer create any implication that there has been no change in the assets, properties, business or affairs of the Company since the date of this document, the relevant AGM Circular or the relevant Tender Offer Announcement.
- 10.4 The Company reserves the absolute right to inspect (either itself or through its agents) all Tender Forms and TTE Instructions and may consider void and reject any tender that does not in the Company's sole judgement (acting reasonably) meet the requirements of the Tender Offer to which such Tender Form or TTE Instruction relates. The Company also reserves the absolute right to waive any defect or irregularity in the tender of any Shares, including any Tender Form and/or TTE Instruction (in whole or in part) which is not entirely in order or which

is not accompanied by the related share certificate(s) and/or other document(s) of title or an indemnity acceptable to the Company in lieu thereof. In that event, however, the consideration in a Tender Offer will only be despatched when the relevant Tender Form is entirely in order and the relevant share certificate(s) and/or other document(s) of title or indemnities satisfactory to the Company has/have been received. The Company, the Receiving Agent or any other person will not be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give any such notification.

- 10.5 The provisions of the UK Contracts (Rights of Third Parties) Act 1999 do not apply to Tender Offers.

11. RESTRICTED SHAREHOLDERS AND OTHER OVERSEAS SHAREHOLDERS

- 11.1 The provisions of this paragraph and any other terms of a Tender Offer relating to Restricted Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Company but only if the Company is satisfied that such waiver, variance or modification will not constitute or give rise to a breach of applicable securities or other laws.
- 11.2 Overseas Shareholders should inform themselves about and observe any applicable legal requirements. It is the responsibility of any such Overseas Shareholder wishing to tender Shares to satisfy himself/herself as to the full observance of the laws of the relevant jurisdiction in connection herewith, the compliance with other necessary formalities and the payment of any transfer or other taxes or other requisite payments due in such jurisdiction. Any such Overseas Shareholder will be responsible for the payment of any such transfer or other taxes or other requisite payments due by whomsoever payable and the Company and any person acting on its behalf shall be fully indemnified and held harmless by such Overseas Shareholder for any such transfer or other taxes or other requisite payments such person may be required to pay. No steps have been taken to qualify Tender Offers or to authorise the extending of Tender Offers or the distribution of this document, AGM Circulars, Tender Offer Announcements and Tender Forms in any territory outside the United Kingdom.
- 11.3 Tender Offers will not be made to Restricted Shareholders. Restricted Shareholders are being excluded from the Tender Offers to avoid offending applicable local laws relating to the implementation of the Tender Offers. Accordingly, copies of this document, AGM Circulars, Tender Offer Announcements, Tender Forms and any related documents are not being and must not be mailed or otherwise distributed into any Restricted Territory, including to Shareholders with registered addresses in Restricted Territories, or to persons who the Company knows to be custodians, nominees or trustees holding Shares for persons in Restricted Territories. Persons receiving such documents (including, without limitation, custodians, nominees and trustees) should not distribute or send them in or into a Restricted Territory or use such mails or any such means, instrumentality or facility in connection with a Tender Offer, as so doing will render invalid any related purported acceptance of a Tender Offer. Persons wishing to accept a Tender Offer should not use such mails or any such means, instrumentality or facility for any purpose directly or indirectly relating to acceptance of that Tender Offer. Envelopes containing Tender Forms postmarked from a Restricted Territory or otherwise despatched from a Restricted Territory or Tender Forms which provide Restricted Territory addresses for the remittance of cash or return of Tender Forms will be rendered void.
- 11.4 A Shareholder will be deemed not to have made a valid tender if (i) such Shareholder is unable to make the representations and warranties set out in paragraph 7.1.8 (if relevant) and 7.1.9 of this Part 3 or paragraph 8.1.6 (if relevant) and 8.1.7 of this Part 3, or (ii) such Shareholder inserts in Box 4A or 4B of the Tender Form the name and address of a person or agent in a Restricted Territory to whom he wishes the consideration to which such Shareholder is entitled in a Tender Offer to be sent; or (iii) the Tender Form received from him/her is in an envelope postmarked in, or which otherwise appears to the Company or its agents to have been sent from, a Restricted Territory. The Company reserves the right, in its absolute discretion, to investigate, in relation to any acceptance, whether the representations and warranties referred to in paragraph 7.1.8 (if relevant) and 7.1.9 of this Part 3 or in paragraph 8.1.6 (if relevant) and 8.1.7 of this Part 3 given by any Shareholder are correct and, if such investigation is undertaken and as a result the Company determines (for any reason) that such representations and warranties are not correct, such acceptance shall not be valid.

- 11.5 If, in connection with a Tender Offer, notwithstanding the restrictions described above, any person (including, without limitation, custodians, nominees and trustees), whether pursuant to a contractual or legal obligation or otherwise, forwards this document, an AGM Circular, a Tender Offer Announcement, the Tender Form or any related offering documents in or into a Restricted Territory or uses the mails of, or any means or instrumentality (including, without limitation, facsimile transmission, telex, internet and telephone) of interstate or foreign commerce of, or any facility of a national securities exchange in, a Restricted Territory in connection with such forwarding, such person should (i) inform the recipient of such fact; (ii) explain to the recipient that such action may invalidate any purported acceptance by the recipient; and (iii) draw the attention of the recipient to this paragraph.
- 11.6 Overseas Shareholders (who are not Restricted Shareholders) should inform themselves about and observe any applicable legal or regulatory requirements. If you are in any doubt about your position, you should consult your professional adviser in the relevant territory.

12. MODIFICATIONS

- 12.1 The Tender Terms and Conditions shall have effect subject to such non-material modifications or additions as the Company may from time to time approve in writing. The times and dates referred to in this document, an AGM Circular or a Tender Offer Announcement may be amended by the Company and notified to Shareholders via an announcement through a Regulatory Information Service. Details of any such changes will also appear on the Company's website at <https://www.gulfinvestmentfundplc.com/publications/>.
- 12.2 The Company may, in its discretion, require some or all of a Shareholder's Tendered Shares to instead be transferred to a third party purchaser and each Shareholder shall comply in a timely fashion with any such requirements of the Company, provided always that each such Shareholder shall not receive less consideration for the transfer of the Tendered Shares than it would have received from the Company pursuant to the relevant Tender Offer. Each Shareholder shall be deemed to have given the same representations and warranties (mutatis mutandis) referred to in this Part 3 in respect of the Tendered Shares to be transferred to a third party.

PART 4

CONSIDERATIONS UNDER THE TAKEOVER CODE AND PANEL WAIVER

1. THE TAKEOVER CODE

The Initial Tender Offer gives rise to certain considerations under the Takeover Code. As a company which has its shares admitted to trading on the Main Market of the London Stock Exchange, the Company is subject to the Takeover Code and therefore Shareholders are entitled to the protections afforded by the Takeover Code.

Under Rule 9 of the Takeover Code, if any person acquires, whether by a series of transactions over a period of time or by one specific transaction, an interest (as defined in the Takeover Code) in shares which (when taken together with shares in which he and persons acting in concert with him are interested) carry 30 per cent. or more of the voting rights of a company which is subject to the Takeover Code, that person is normally required by the Panel to make a Rule 9 Offer to the remaining shareholders to acquire their shares.

Rule 9 of the Takeover Code also provides, among other things, that if any person, together with persons acting in concert with him, is interested in shares which in the aggregate carry not less than 30 per cent. of the voting rights of a company which is subject to the Takeover Code but does not hold shares carrying more than 50 per cent. of such voting rights of that company and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in such company in which he is interested, then that person or persons acting in concert with him will normally be required by the Panel to make a Rule 9 Offer to the remaining shareholders to acquire their shares.

An offer under Rule 9 of the Takeover Code must be in cash (or with a cash alternative) and at the highest price paid within the preceding 12 months for any interest in shares in the company by the person required to make the offer or any person acting in concert with him.

For the purposes of the Takeover Code, persons acting in concert include persons who, pursuant to an agreement or understanding (whether formal or informal), co-operate to obtain or consolidate control of a company or frustrate the successful outcome of an offer for a company subject to the Takeover Code. For the purposes of the Takeover Code, 'control' means an interest or interests in shares carrying in aggregate 30 per cent. or more of the voting rights of a company, irrespective of whether such interest or interests give de facto control.

Under Rule 37 of the Takeover Code, any increase in the percentage of shares carrying voting rights held by a shareholder or persons acting in concert with the shareholder resulting from the purchase by a company of its own shares will be treated as an acquisition for the purpose of Rule 9 of the Takeover Code.

2. THE INVESTMENT ADVISER

The Investment Adviser is a composite insurer listed on the Qatar Exchange. It was founded in 1964 and was the first domestic insurance company in the State of Qatar. Previously referred to as "Qatar Insurance Company S.A.Q.", in 2019, in accordance with the applicable companies laws and regulations in Qatar, public companies in Qatar were required to begin using "Q.S.P.C." at the end of their names, which stands for "Qatar Shareholding Public Companies". Accordingly, the Investment Adviser became known as "Qatar Insurance Company Q.S.P.C.".

Further information about the Investment Adviser, its business and financial and trading prospects appear in the financial information relating to the Investment Adviser that is incorporated by reference into this document and referred to in Part 6 (*Financial Information*) of this document. Please refer to the "Board of Directors' Report" on pages 24 – 27, the "Group President's Message" on pages 34-37 and the "Business Performance Overview" on pages 53 – 57 of the Investment Adviser's 2019 Annual Report (being the last available audited financial information of the Investment Adviser prior to the date of this document).

As at the Latest Practicable Date, the Investment Adviser held 17,319,759 Shares in the Company representing approximately 33.4 per cent. of the voting rights of the Company.

In the event that the Initial Tender Offer becomes wholly unconditional and assuming that:

- the Investment Adviser does not participate in the Initial Tender Offer (which it has confirmed it does not intend to do);
- the Investment Adviser does not acquire any additional Shares prior to the implementation of the Initial Tender Offer;
- the number of Shares that are validly tendered by all other Shareholders represents the maximum number of Shares that can be tendered under the Tender Offer whilst still satisfying the Initial Tender Offer Minimum Size Condition;
- there are no other changes to the Share Capital such that the number of Shares in issue following completion of the Initial Tender Offer will be equal to 38,000,000,

it is expected that the Investment Adviser's interest in the voting rights of the Company will increase to approximately 45.6 per cent.

In such case, without a waiver of the obligations under Rule 9 of the Takeover Code, the Investment Adviser would be required to make a Rule 9 Offer to the Company's remaining Shareholders.

The Initial Tender Offer is not expected to have any impact on the Investment Adviser's earnings, assets and liabilities.

3. WAIVER OF RULE 9 OBLIGATION

Under Note 1 on the Notes on the Dispensations from Rule 9 of the Takeover Code, the Panel will normally waive the requirement for a Rule 9 Offer if, *inter alia*, those shareholders of the company who are independent of the persons who would otherwise be required to make a Rule 9 Offer pass an ordinary resolution on a poll at a general meeting approving such a waiver.

The Company has therefore applied to the Panel for a waiver of the obligation of the Investment Adviser under Rule 9 of the Takeover Code that would otherwise arise and require it to make a Rule 9 Offer to the Company's other Shareholders as a result of the implementation of the Initial Tender Offer. Subject to the approval of the Independent Shareholders of the Whitewash Resolution, to be taken on a poll at the Extraordinary General Meeting, the Panel has agreed to waive such obligation to make a Rule 9 Offer. To be passed, the Whitewash Resolution will require a simple majority of the votes cast on a poll by the Independent Shareholders voting at the Extraordinary General Meeting. The Investment Adviser will not be permitted to vote on the Whitewash Resolution and has undertaken to the Company that it will not do so.

The Notice of the Extraordinary General Meeting, at which the Whitewash Resolution will be proposed, is set out at the end of this document. Should Independent Shareholder approval not be obtained for the Whitewash Resolution, the Initial Tender Offer will not proceed.

Following implementation of the Initial Tender Offer, the Investment Adviser's aggregate holding of voting rights of the Company will continue to exceed 30 per cent. or more of the Company's voting share capital (as described above), but will not exceed 50 per cent. or more of the Company's voting share capital. Any further increase in its interest in Shares will be subject to the provisions of Rule 9 of the Takeover Code.

The Investment Adviser will not be restricted from making a subsequent offer in the future for the Company in the event that the Whitewash Resolution is approved by the Independent Shareholders. For the avoidance of doubt, the waiver from the obligation that the Investment Adviser would otherwise have to make a Rule 9 Offer to the Company's other shareholders granted pursuant to the Whitewash Resolution applies only in respect of increases in the Investment Adviser's shareholdings resulting from the implementation of the Initial Tender Offer and not in respect of other increases in its holding.

4. DISQUALIFYING TRANSACTIONS

The waiver to which the Panel has agreed, subject to the Whitewash Resolution, under the Takeover Code will be invalidated if any purchases are made by the Investment Adviser, or any person acting in concert with it, in the period between the date of this document and the Extraordinary General Meeting. Neither the Investment Adviser, nor any person acting in concert with it, has purchased or acquired an interest in Shares in the 12 months preceding the date of this document.

5. INTENTIONS OF THE INVESTMENT ADVISER

The Investment Adviser has no intention of making any changes in relation to the future business or strategic plans of the Company, any research and development functions of the Company (of which there are none), the pension arrangements of the Company (of which there are none), the redeployment of the Company's fixed assets (of which it has none), nor the Company's place of business.

The Company has no employees and the Investment Adviser has no intention of changing that, nor the management of the Company or the Company's subsidiary. Neither does the Investment Adviser have any intention to materially change the balance of the skills and functions of the Company's or the Company's subsidiary's management. The Investment Adviser has no intention to propose any management incentivisation arrangements for the Board or the board of the Company's subsidiary.

The Investment Adviser has no intention of changing the location and function of the Company's headquarters or headquarter functions. Accordingly, the Investment Adviser does not believe that its plans for the Company will have repercussions on the Company or on the locations of the Company's places of business.

The Investment Adviser has no intention of making any changes to the maintenance of the existing trading facilities for the Shares.

The Directors fully agree with the statements made above by the Investment Adviser (and the Investment Adviser's lack of intentions or strategic plans in relation to the Company), in particular, in relation to employment and the locations of the Company's place of business.

6. RULE 37 OF THE TAKEOVER CODE

Rule 37 of the Takeover Code states that when a company redeems or purchases its own voting shares, any resulting increase in the percentage of shares carrying voting rights in which a person or group of persons acting in concert is interested will be treated as an acquisition for the purposes of Rule 9 of the Takeover Code. However, Note 1 of Rule 37.1 states that a person who comes to exceed the limits in Rule 9.1 in consequence of a company's redemption or purchase of its own shares will not normally incur an obligation to make a mandatory offer unless that person is, or is presumed to be, acting in concert with any of the directors. A person who has appointed a representative to the board of the company, and investment managers of investment trusts, will be treated for these purposes as a director.

As at the Latest Practicable Date, City of London Investment Management Company ("**City of London**") held 20,964,026 Shares, representing approximately 40.5 per cent. of the Company's issued share capital.

In the event that the Initial Tender Offer becomes wholly unconditional and assuming that:

- the Investment Adviser does not participate in the Initial Tender Offer (which it has confirmed it does not intend to do);
- the Investment Adviser does not acquire any additional Shares prior to the implementation of the Initial Tender Offer;
- the number of Shares that are validly tendered by all other Shareholders represents the maximum number of Shares that can be tendered under the Initial Tender Offer whilst still satisfying the Initial Tender Offer Minimum Size Condition;
- there are no other changes to the Share Capital such that the number of Shares in issue following completion of the Initial Tender Offer will be equal to 38,000,000; and
- City of London does not participate in the Initial Tender Offer,

City of London's interest in the voting rights of the Company will increase to up to approximately 55.2 per cent.

It is noted that the maximum aggregate interests of the Investment Adviser and City of London in the Share Capital following the implementation of the Initial Tender Offer set out in paragraphs 2 and 6 of this Part 4 exceeds 100 per cent. This is because each of their maximum potential holdings is calculated discretely based on their shareholding as at the Latest Practicable Date and the minimum number of Shares required to be in issue post implementation of the Initial Tender Offer whilst still satisfying the Initial Tender Offer Minimum Size Condition. If neither of the Investment Adviser nor City

of London tender any of their Shares pursuant to the Initial Tender Offer, the number of Shares in issue post implementation of the Initial Tender Offer will be higher than the required share capital following completion of the Initial Tender Offer and therefore, in aggregate, their interests will not exceed 100 per cent.

It has been confirmed with the Panel that, provided City of London is not acting in concert with the Company or any of the Directors (such that they should be treated as 'innocent bystanders' in relation to any increase in their holdings of Shares as a result of the Initial Tender Offer), the Panel will not require City of London, or any person deemed to be acting in concert with it, to make a mandatory offer under Rule 9 of the Takeover Code on the grounds that its or their interest in the Share Capital has increased only as a result of the purchase by the Company of Shares pursuant to the authority conferred by the Initial Tender Offer Resolution.

When the Company makes Tender Purchases pursuant to a Contractual Bi-Annual Tender Offer, any resulting increase in the percentage of the voting rights in the Company held by a Shareholder (or Shareholders acting in concert) will be treated as an acquisition in accordance with Rule 37 of the Takeover Code and, if such percentage reaches 30 per cent. of the voting rights in the Company, or if a Shareholder (or Shareholders acting in concert) already hold(s) 30 per cent. of the voting rights in the Company and such percentage Shareholding increases further, the relevant Shareholder or Shareholders would be required to make a Rule 9 Offer. If such a situation arises or is likely to arise, it is the intention of the Directors to seek a waiver from the Panel of the requirement that the relevant Shareholder or Shareholders make a Rule 9 Offer as a result of Share purchases. However, the Directors cannot guarantee that such a waiver will be obtained or that the relevant Shareholder or Shareholders would not be required to make a general offer to the remaining Shareholders to acquire their Shares.

The Initial Tender Offer Minimum Size Condition will be no lower than as set out in this document.

PART 5

IMPLICATIONS OF THE PROPOSED CANCELLATION AND TRANSFER

The Specialist Fund Segment is a segment of the Main Market of the London Stock Exchange which is designed to appeal to alternative funds and sophisticated investors. As a segment of the Main Market, the Specialist Fund Segment is a UK regulated market and therefore the Company will continue to be subject to the Prospectus Regulation Rules, the Disclosure Guidance and Transparency Rules (as implemented in the UK through FSMA), the UK Market Abuse Regulation and the Admission and Disclosure Standards of the London Stock Exchange. However, following the cancellation of the Company's listing on the Premium Segment, the Listing Rules (and certain provisions of the DTRs) applicable to closed-ended investment companies which are listed on the Premium Segment under Chapter 15 of the Listing Rules will cease to apply to the Company.

Notwithstanding this, the Directors intend that, as a matter of best practice and good corporate governance, the Company will conduct its affairs in accordance with the following key provisions of the Listing Rules and the DTRs in such manner as they would apply to the Company were it still admitted to the Premium Segment under Chapter 15 of the Listing Rules.

In particular, the Company intends to continue to comply with the following:

- the Listing Principles and the Premium Listing Principles set out in Chapter 7 of the Listing Rules;
- the following provisions of Chapter 9 of the Listing Rules: (i) Listing Rule 9.3 (Continuing obligations: holders); (ii) Listing Rule 9.5 (Transactions); (iii) Listing Rule 9.6.4 to Listing Rule 9.6.21 other than Listing Rule 9.6.19(2) and Listing Rule 9.6.19(3) (Notifications); (iv) Listing Rule 9.7A (Preliminary statement of annual results and statement of dividends); and (v) Listing Rule 9.8 (Annual financial report);
- in relation to any transaction which would constitute a "related party transaction" as defined in the DTRs, DTR 7.3 under which, *inter alia*, any "material" related party transaction will require an announcement to be made via an RIS providing certain information relating to the relevant transaction by no later than the time the terms of the transaction are agreed. For these purposes, a transaction will be considered material where any percentage ratio resulting from the application of the class tests in Annex 1 to DTR 7 is 5 per cent. or more. However, Listing Rule 11 which requires independent shareholder approval of certain related party transactions (as defined in the Listing Rules) will no longer apply to the Company;
- in relation to the purchase of its own shares, the provisions of Listing Rules 12.4.1 and 12.4.2 by adopting a policy consistent with such provisions;
- the following provisions of Chapter 13 of the Listing Rules: (i) Listing Rule 13.3 (Contents of all circulars); (ii) Listing Rule 13.4 (Class 1 circulars); (iii) Listing Rule 13.5 (Financial information in Class 1 Circulars); (iv) Listing Rule 13.7 (Circulars about purchase of own equity shares); and (v) Listing Rule 13.8 (Other circulars); and
- the following provisions of Chapter 15 of the Listing Rules: (i) Listing Rule 15.4.2 to Listing Rule 15.4.11 (Continuing obligations); (ii) Listing Rule 15.5.2 (Transactions); and (iii) Listing Rule 15.6 (Notifications and periodic financial information).

Admission to trading on the Specialist Fund Segment will not affect the way in which Shareholders buy or sell the Shares. Share certificates representing Shares held in certificated form will continue to be valid and no new share certificates will be issued.

The Board intends that there will be no alteration to the standards of reporting and governance which the Company maintains currently and the Company will continue to apply the principles and recommendations of the UK Code on Corporate Governance and the AIC's Code, as described in the Company's annual report and accounts. In particular, the Company will maintain its existing Audit Committee and Management Engagement Committee.

It is emphasised that the Proposed Cancellation and Transfer will have no impact on the existing assets and liabilities of the Company and the Company will continue to pursue the same Investment Objective and Investment Policy following admission of the Shares to the Specialist Fund Segment.

PART 7

TAXATION IN THE UNITED KINGDOM

The following comments do not constitute tax advice. They are intended only as a general guide based on UK law and HMRC's published practice as at the date of this document. Both law and practice may change at any time.

Except where express reference is made to the position of non-UK residents, these comments relate only to Shareholders who are, and have at all relevant times been, resident for tax purposes solely in the UK. They apply only to Shareholders who are the absolute beneficial owners of their Shares and of any dividends payable on them and who hold their Shares as investments.

Certain categories of Shareholders may be subject to special tax rules. These include dealers in securities, financial institutions, insurance companies, collective investment schemes, Shareholders who benefit from an exemption from tax, Shareholders who (either alone or together with persons connected with them) have an interest in 25 per cent. or more of the shares in, returns from, or voting rights in respect of, the Company, and Shareholders who are treated as having acquired their Shares by reason of any office or employment. The position of such Shareholders is not addressed in these comments. Nor is the position of any Shareholders who are involved in arrangements to avoid tax or obtain a tax advantage.

You should seek professional tax advice if you are resident, domiciled or subject to tax in any jurisdiction outside the UK or if you are in any doubt as to your tax position.

OFFSHORE FUND RULES

Reporting fund status

The Company is treated as an "offshore fund" under the Offshore Fund Rules and is currently approved by HMRC as a "reporting fund". The Company intends to continue to comply with the requirements for maintaining reporting fund status, but Shareholders should note that this cannot be guaranteed. The statements below assume that the Company maintains its status as a reporting fund.

Reported income

As a reporting fund under the Offshore Fund Rules, the Company is required to provide relevant Shareholders with a report of the Company's income for each reporting period (as calculated for the purposes of the Offshore Fund Rules). This information is required to be provided to Shareholders (and HMRC) within six months of the end of the relevant reporting period. Reporting periods will generally be the same as the Company's accounting periods.

If the amount of income reported to Shareholders exceeds the amount actually distributed for a relevant reporting period, UK resident Shareholders will generally be taxed as if a notional dividend equal to the excess had been received. **As such, Shareholders could be taxed by reference to income they have not actually received to the extent that distributions paid are less than the reported income of the Company.**

Equalisation

Shareholders should note that the Company does not intend to operate equalisation arrangements. Accordingly, subject to any manual adjustments to reported income that the Company may make to take account of changes in shareholdings during a reporting period, reportable income for a particular reporting period will generally be split on a pro-rata basis across the number of Shares in issue at the end of the relevant reporting period. Accordingly, buy-backs of Shares undertaken by the Company in connection with the Initial Tender Offer could result in proportionately higher amounts of income being reported to remaining Shareholders in respect of the reporting periods in which those Shares are bought back.

DISPOSALS PURSUANT TO A TENDER OFFER

No withholding

The Company is not required to deduct or withhold any amount in respect of UK tax from the Tender Price paid to Shareholders who sell their Shares to the Company pursuant to a Tender Offer.

General

Shares which are tendered by Shareholders pursuant to a Tender Offer will either be bought back directly by the Company and cancelled or, if the Company so elects (as referred to in paragraph 12 of Part 3 (*Tender Terms and Conditions*) of this document), will be sold in the market to third party purchasers identified by the Company. In either case, the Shareholder will be treated as making a disposal of their Shares for the purposes of UK taxation of chargeable gains.

The general rule is that, for UK tax purposes, chargeable gains and allowable losses fall to be calculated in sterling. Accordingly, where Shares are acquired and/or disposed of for non-sterling consideration, a chargeable gain or allowable loss could arise by reference to exchange rate movements. For Shareholders that are companies within the charge to UK corporation tax, the extent to which this general rule applies may depend on what the company's functional currency is and whether any designated currency election has been made. Shareholders who are in any doubt as to the consequences for them of these rules should seek appropriate professional advice.

Shareholders who are not resident in the UK for taxation purposes will not normally be liable to UK taxation on chargeable gains arising from the sale of their Shares unless those Shares are held for the purposes of a trade, profession or vocation carried on by those Shareholders through a UK branch, agency or permanent establishment, although they may be subject to non-UK taxation depending on their personal circumstances. This assumes that the Company is not treated as deriving 75 per cent. or more of its value from interests in UK real estate. Individual Shareholders who are only temporarily not resident in the UK for tax purposes may, depending on their personal circumstances, become liable to capital gains tax under tax anti-avoidance legislation and, therefore, should seek personal tax advice.

A sale of Shares to third parties identified by the Company should generally be treated in the same way as any other sale of Shares in the market. Accordingly, such a disposal may depending on the Shareholder's circumstances and subject to any available exemption or relief, give rise to a chargeable gain or allowable loss.

The treatment of a sale of Shares directly to the Company is described in further detail below.

Individual Shareholders – buy-back by Company

As noted above, a UK resident individual who sells Shares to the Company pursuant to a Tender Offer will be treated as making a disposal of those Shares for the purposes of UK capital gains tax. Such disposal may, depending on the Shareholder's circumstances and subject to any available exemption or relief, give rise to a chargeable gain or allowable loss.

Provided that the Tender Price received is treated for UK tax purposes as a receipt of a capital nature, rather than income, a UK resident individual who sells Shares to the Company pursuant to a Tender Offer should not be subject to income tax in respect of the Tender Price received.

The question of whether the Tender Price is of a capital or an income nature for these purposes depends on both the nature of the payment as a matter of Isle of Man company law and on the application of UK tax principles derived from case law. Although the position cannot be guaranteed, it is considered that, as the Tender Offers will take effect by means of an Isle of Man company law process for effecting a reduction in the share capital of the Company and cancelling Shares, the Tender Price should be treated for UK tax purposes as capital in nature. If that were not the case and the Tender Price were to be treated as income, a UK resident individual Shareholder would, to that extent, be subject to income tax on the Tender Price (but the amount subject to income tax should then generally be excluded from the calculation of any chargeable gain arising on the disposal of the relevant Shares).

Corporate Shareholders – buy-back by Company

As noted above, a Shareholder within the charge to UK corporation tax that sells Shares to the Company pursuant to a Tender Offer will be treated as making a disposal of those Shares for the

purposes of UK corporation tax on chargeable gains. Such disposal may, depending on the Shareholder's circumstances and subject to any available exemption or relief, give rise to a chargeable gain or allowable loss.

Such Shareholders will also be treated for corporation tax purposes as receiving a distribution to the extent that the Tender Price received exceeds the amount that is treated for tax purposes as representing the capital paid up on the relevant Shares (which is generally ascertained by reference to the amount originally subscribed, to the extent there has not been a previous cancellation or return of share capital in respect of those Shares).

Shareholders within the charge to UK corporation tax will be subject to corporation tax on any distribution from the Company in connection with a Tender Offer unless the distribution qualifies for exemption under Part 9A of the Corporation Tax Act 2009. Whether exemption applies depends in part on whether the Shareholder in question is treated as a "small company" for the purposes of the exemption.

Shareholders that are "small companies" for the purposes of Part 9A of the Corporation Tax Act 2009 will not qualify for exemption and accordingly will be subject to corporation tax on any such distribution. However, to the extent that the distribution element is charged to corporation tax, it should generally be excluded from the calculation of any chargeable gain arising on the disposal of the relevant Shares.

For Shareholders that are not "small companies" for the purposes of Part 9A of the Corporation Tax Act 2009 any such distribution should generally qualify for exemption, although it should be noted that the exemption is not comprehensive, requires a number of conditions to be met, and is subject to anti-avoidance rules. To the extent that any distribution element does qualify for exemption from corporation tax it will not then be excluded from the calculation of any chargeable gain arising on the disposal of the relevant Shares.

Anti-avoidance etc

The UK tax code contains provisions which permit HMRC to counteract tax advantages arising from certain transactions in securities by (among other things) treating some or all of the proceeds of capital disposals as distributions of income. These provisions should generally not apply where it can be shown to the satisfaction of HMRC that the transactions in question were entered into for genuine commercial reasons and did not involve as one of their main objects or purposes the obtaining of a tax advantage. Shareholders are advised to take their own independent advice as to the potential application of these and other anti-avoidance provisions in the light of their own particular circumstances. Application has not been made to HMRC for clearance as to these matters.

The information relating to taxation set out above is a general guide and is not exhaustive. It does not constitute tax advice. It is based on law and published practice currently in force in the United Kingdom and is subject to changes therein (potentially with retrospective effect). If you are in any doubt as to your tax position you should consult an appropriate professional adviser without delay.

7. MATERIAL CONTRACTS

The following are the material contracts (not being contracts entered into in the ordinary course of business) which has been entered into by the Company or its subsidiary within the two years immediately preceding the date of this document:

Side Letter to the Investment Management Agreement

On 24 March 2021, the Company and the Investment Manager entered into a side letter to the Investment Management Agreement to reflect that the management fee payable by the Company to the Investment Manager with effect from 1 January 2021 shall be reduced from 0.9 per cent. of Net Asset Value to 0.8 per cent. of Net Asset Value. This amendment is part of the cost reduction program being implemented by the Company to reduce the ongoing charges of the Company, as described in the 2020 Circular.

The rest of the terms of the Investment Management Agreement remain unchanged.

The Investment Manager is treated as a related party of the Company in accordance with the Listing Rules. Accordingly, this amendment to the Investment Management Agreement constitutes a related party transaction under Chapter 11 of the Listing Rules. It is classified as a small related party transaction and so Shareholder approval was not required.

The side letter to the Investment Management Agreement is governed by the laws of England and Wales.

Repurchase Agreement

The Company and Panmure Gordon entered into a repurchase agreement on 23 November 2020 in connection with the tender offer that was the subject of the 2020 Circular. On and subject to the terms and conditions of the Repurchase Agreement, the parties agreed that Panmure Gordon would, as principal, purchase, on market, at the relevant tender price, those Shares that were successfully tendered to it. Immediately following the purchase by Panmure Gordon of all such Shares the Company purchased from Panmure Gordon all such Shares at a price per Share equal to the relevant tender price. All transactions were carried out on the London Stock Exchange.

In consideration for its services provided pursuant to the Repurchase Agreement, the Company paid Panmure Gordon a commission of 0.2 per cent. of the value, at the relevant tender price, of the Shares purchased by Panmure Gordon pursuant to the tender offer and reimbursed Panmure Gordon for its reasonable costs and expenses incurred connection with the tender offer.

The Repurchase Agreement was governed by the laws of England and Wales.

PART 9

RISKS RELATING TO THE PROPOSALS

In addition to the other relevant information set out in this document, the Directors consider that the risk factors set out in this Part 9 should be considered by Shareholders before deciding how to cast their votes at the Extraordinary General Meeting and whether or not to participate in the Initial Tender Offer.

The Directors believe that the risks below are the material risks relating to the Shares, the Initial Tender Offer, the Proposed Cancellation and Transfer and the adoption of the New Articles at the date of this document. Additional risks and uncertainties not currently known to the Directors, or that the Directors deem immaterial at the date of this document, may also have an adverse effect on the performance of the Company and the value of the Shares. **Shareholders in any doubt about the action they should take should consult a suitably qualified independent financial adviser authorised under FSMA if in the United Kingdom, or from another appropriately authorised independent financial adviser if in a territory outside of the United Kingdom, without delay.**

A. RISKS RELATING TO THE INITIAL TENDER OFFER

Conditionality of the Initial Tender Offer

Implementation of the Initial Tender Offer is conditional on, *inter alia*, the Whitewash Resolution and the Initial Tender Offer Resolution being passed at the Extraordinary General Meeting and the Initial Tender Offer Minimum Size Condition being satisfied. In the event that neither one or none of such conditions is met, the Initial Tender Offer will not proceed and the Company would have to bear the abortive costs of having proposed the Initial Tender Offer. As set out in paragraph 9 of Part 8 (*Additional Information*) of this document, the costs of the implementation of the Proposals as a whole are estimated to be approximately £267,000 (not including VAT, portfolio realisation costs or any SFS admission fees).

Impact on the size of the Company

The repurchase by the Company of Shares pursuant to the Initial Tender Offer will result in the issued share capital of the Company being reduced and the Company may therefore be smaller. Consequently, the fixed costs of the Company would be spread over fewer Shares and the Company's on-going charges ratio may increase.

Tender Price and realisation of the Tender Pool

Shareholders who elect to participate in the Initial Tender Offer will receive the Tender Price in consideration for their Tendered Shares, which may be less than the price at which they acquired their Shares. The Tender Price will be dependent on the price at which the assets comprising the Tender Pool are fully realised and after paying for all costs associated with the Initial Tender Offer. There can be no assurance as to the value that will be fully realised from such assets as this will depend on the performance of individual assets within the Tender Pool, the ability of the Investment Adviser to sell them and the value fully realised from the assets relative to the Company's current valuation of them. The Tender Price may therefore represent a discount to NAV per Share at the Calculation Date due primarily to the costs of the Initial Tender Offer, costs of realising the assets in the Tender Pool and any stamp duty or stamp duty reserve tax payable on the repurchase of the Tendered Shares. COVID-19 and volatility in global equity markets may also have a material effect on the ability of the Investment Adviser to realise those assets comprising the Tender Pool in a timely manner and/or at full value. Shareholders should also note that there could be a significant period of time between the relevant Closing Date and the date on which all of the assets comprising the Tender Pool will be fully realised, which will be the date when Shareholders receive full payment of the Tender Price.

B. RISKS ASSOCIATED WITH THE PANEL WAIVER AND WHITEWASH RESOLUTION

The Independent Shareholders should note that, regardless of whether the Whitewash Resolution is passed at the Extraordinary General Meeting, this does not provide any guarantee that in any future situation where Rule 9 of the Takeover Code became relevant to the Company, the Panel would be similarly willing to grant such a waiver.

C. RISKS ASSOCIATED WITH THE PROPOSED CANCELLATION AND TRANSFER AND WITH TRADING ON THE SPECIALIST FUND SEGMENT

Although the Company intends to apply for all of the Shares to be admitted to trading on the Specialist Fund Segment in connection with the Proposed Cancellation and Transfer, there can be no assurance that an active or liquid trading market for the Shares will develop or, if developed, that it will be maintained following such admission.

Investment in shares traded on the Specialist Fund Segment may have limited liquidity and may experience greater price volatility than shares listed on the Premium Segment of the Main Market. Limited liquidity and high price volatility may result in Shareholders being unable to sell their Shares at a price that would result in them recovering their original investment.

Typical investors in companies which are admitted to the Specialist Fund Segment are expected to be institutional, professional and knowledgeable investors (including those who are professionally advised) who understand, or have been advised of, the potential risk of investing in companies admitted to the Specialist Fund Segment. However, the Company will continue to conduct its business and affairs as it has done while admitted to the Premium Segment and the Board does not anticipate any higher degree of investment risk as a result of the Proposed Cancellation and Transfer.

Whilst the Company intends to comply voluntarily with certain of the Listing Rules as described above, it should be noted that the FCA will not monitor the Company's voluntary compliance with such Listing Rules nor will it impose sanctions in respect of any failure of such compliance by the Company.

Specialist Fund Segment securities are not admitted to the Official List of the Financial Conduct Authority, therefore the Company will not be required to satisfy the eligibility criteria for admission to listing on the Official List and will not be required to comply with the Financial Conduct Authority's Listing Rules (save in respect of those Listing Rules with which the Company intends to voluntarily comply, as set out in this document). The London Stock Exchange has not examined or approved the contents of this document.

Once admitted to trading on the Specialist Fund Segment, the Company will no longer be required by the Listing Rules to ensure that 25 per cent. of the Shares are publicly held (as defined by the Listing Rules) at all times, however there is still a requirement to meet the eligibility criteria in the Admission and Disclosure Standards applicable to the Specialist Fund Segment.

D. RISKS RELATING TO THE COMPANY AND ITS INVESTMENTS

The Company may not meet its Investment Objective

Shareholders who choose to remain invested in the Company (whether in whole or in part) should note that there can be no guarantee that the Investment Objective of the Company will be achieved. The Investment Objective of the Company should not be treated as an assurance or guarantee of performance.

The Company's financial performance and prospects may be adversely affected by COVID-19, the long-term impact of which is currently unknown

On 11 March 2020, the World Health Organisation announced that the outbreak of COVID-19 had been declared a global pandemic. The long-term impacts of the outbreak are unknown and rapidly evolving. A widespread health crisis could adversely affect the global economy, resulting in a substantial, and potentially long-term, decline in financial markets. The future development of the outbreak is highly uncertain and there is no assurance that the outbreak will not have a material adverse impact on the future results of undertakings and funds that are directly or indirectly comprised within the Company's portfolio and on the Company itself. The extent of the impact will depend on the continued range of the virus, infection rates, the severity and mortality rates of the virus, the timing and efficacy of a vaccine, the steps taken nationally and globally to prevent the spread of the virus as well as fiscal and monetary stimuli offered by governments globally. COVID-19 may have a material and lasting effect on the performance of the Company's investments.

The Company may invest in unlisted investments

The Company may hold cross-holdings in listed or unlisted investment funds or exchange-traded funds (ETFs) that invest in Qatar or other countries in the GCC region subject to a limit of 10 per cent. of Net Asset Value at any time (calculated at the time of investment). Unlisted investments, by their

nature, involve a higher degree of valuation and performance uncertainties and liquidity risks than investments in quoted securities and they may be more difficult to realise which may adversely affect the Company's business, results of operations and/or financial condition. Investments which are unlisted at the time of acquisition may remain unlisted and may therefore be difficult to value and/or realise. Investment in the securities of smaller companies may involve greater risks than is customarily associated with investments in larger, more established companies. In particular, such companies may often have limited product offerings, markets or financial resources and may be dependent on a small number of key individuals. Investments made by the Company in unlisted securities may rank behind investments made by others, which may mean that more senior ranking investors take actions outside the control of the Company which are adverse to the interests of the Company.

Volatility of the value of the Company's assets

Shareholders should be aware that the value of the Shares may be volatile and may go down as well as up and Shareholders may therefore not recover any or all of their original investment. In addition, the price at which the Company may be able to realise certain of the Company's assets may be influenced by a number of factors, some of which may pertain to the Company, and others of which are extraneous. These factors could include the performance of the Company's investments, currency fluctuations, legislative or regulatory or taxation changes and general economic conditions. The value of the Shares will therefore fluctuate and may not reflect their underlying asset value. Shareholders may realise less than the original amount invested.

The Company operates in a highly competitive market

The Company invests, through its wholly owned subsidiary, in listed companies on one of the GCC exchanges or companies soon to be listed on one of the GCC exchanges. A number of other entities compete with the Company to make such investments. Many of these competitors may be substantially larger and have considerably greater financial, technical and marketing resources than are available to the Company. Several of these competitors may have significant amounts of available capital, and may have similar investment objectives, which may create additional competition for investment opportunities. Some of these competitors may also have a lower cost of capital and access to funding sources that are not available to the Company, which may create competitive disadvantages for the Company with respect to investment opportunities. In addition, some of these competitors may have higher risk tolerances or different risk assessments, which could allow them to consider a wider variety of investments and establish a broader network of business relationships. A failure by the Company to compete effectively with other entities operating in this environment may result in the loss of investment opportunities, which could have a material adverse effect on the Company's business, results of operations or financial condition.

Currency

The Company's operations, via its subsidiary, are conducted in jurisdictions which generate revenue, expenses, assets and liabilities in currencies other than US Dollar. As a result, the Company is subject to the effects of exchange rate fluctuations with respect to these currencies. The GCC countries (other than Kuwait) have historically pegged their currencies to the US Dollar, and, in the case of Kuwait, a basket of OECD currencies. The currencies in GCC countries have thus had comparatively less volatility relative to the US Dollar due to the pegs and trade at a narrow bid/ ask spread. The Company's assets may experience substantial volatility if any of the GCC countries change or remove the pegs. The Company's operations, via its subsidiary, are conducted in jurisdictions which generate revenue, expenses, assets and liabilities in currencies other than US Dollar. As a result, the Company is subject to the effects of exchange rate fluctuations with respect to these currencies. Changes in the US Dollar's rate of exchange with other currencies may adversely affect the value of the Company's investments, the level of income that it receives from those investments and the cost of further calls for investments under existing commitments. The Company will not hedge any of its currency exposure.

E. RISKS RELATING TO THE INVESTMENT MANAGER AND THE INVESTMENT ADVISER

Past performance is no indication of future results

Shareholders who choose to remain invested in the Company, whether in whole or in part, should note that the past performance of other investments managed or advised by the Investment Manager

or the Investment Adviser or any of their respective investment professionals cannot be relied upon as an indicator of the future performance of the Company. Shareholder returns will be dependent upon the Company successfully pursuing its Investment Objective and Investment Policy.

The achievement of the Company's Investment Objective relative to the market involves risk. An inappropriate asset allocation may result in underperformance against the local index. Monitoring of these risks is carried out by the Board which, at each quarterly Board meeting, considers the asset allocation of the portfolio, the ratio of the larger investments within the portfolio and the management information provided by the Investment Manager and Investment Adviser, who are responsible for actively managing the portfolio in accordance with the Company's Investment Policy.

The success of the Company will depend, amongst other things, on the ability of the Investment Manager and the Investment Adviser to identify, acquire and realise investments in accordance with the Company's Investment Objective and Investment Policy. This, in turn, will depend on their ability to apply their investment analysis processes in a way which is capable of identifying suitable investments for the Company to invest in and to monitor, support and exit such investments effectively.

F. RISKS RELATING TO THE SHARES

Shares in public hands

If the Proposed Cancellation and Transfer Resolution is not passed but the authorities required to implement the Initial Tender Offer are obtained from Shareholders at the Extraordinary General Meeting, depending on the level of participation of certain of the Company's larger Shareholders in the Initial Tender Offer, there is a risk that the percentage of the Company's Shares in public hands may fall further below the required 25 per cent. threshold. In these circumstances, the FCA might suspend or cancel the listing of the Shares in any event.

Discount

The discount to NAV at which the Shares may trade is determined by a number of factors over which the Board has no control. While the Board intends to consult with Shareholders on appropriate future discount and liquidity mechanisms to be adopted by the Company in the event that there is sufficient support for the Company to continue following the implementation of a Tender Offer, the ability of the Board to implement such mechanisms is dependent on, *inter alia*, the ability to purchase Shares in the market, the ability to fund any Share buybacks, the authority to buyback Shares being renewed and the Board's absolute discretion over the making, timing and form of any such mechanisms.

The Company's ability to pay any future dividends

Notwithstanding the future proposals of the Company described in this document, no guarantee is given that any future dividends on the Shares will be paid by the Company. All distributions will be made at the discretion of the Directors and will depend on the Company's earnings, financial condition and such other factors as the Directors may deem relevant from time to time, including limitations under the Companies Acts and any decision by the Company to re-register under the Isle of Man Companies Act 2006 (which would require Shareholder approval). There can be no assurances that the Company will be able to pay dividends in the future. Companies that offer high dividend yields may be more liable to diminish in capital value over time.

It may be difficult for Shareholders to realise their investment and there may not be a liquid market in the Shares

The price at which the Shares will be traded and the price at which Shareholders may realise their investment will be influenced by a large number of factors, some specific to the Company and its investments and some which may affect companies generally. There may not be a liquid market for the Shares. The market prices of the Shares may not reflect their underlying Net Asset Value. Accordingly, Shareholders may be unable to realise their investment at such Net Asset Value or at all.

G. RISKS RELATING TO REGULATION AND TAXATION

Changes in laws or regulations governing the Company's operations may adversely affect the Company's business

The Company will be subject to laws and regulations enacted by national and local governments. In particular, the Company will be required to comply with certain regulatory requirements that are

applicable to listed closed-ended investment companies. The Company must comply with the Listing Rules, the UK Prospectus Regulation, the Prospectus Regulation Rules, the Disclosure Guidance and Transparency Rules, the UK Market Abuse Regulation and the UK PRIIPs Regulation. In addition, the Company is subject to the continuing obligations imposed by the FCA on all investment companies whose shares are listed on the Official List and is subject to the admission and disclosure standards of the London Stock Exchange. A failure by the Company to comply with those obligations and standards may result in the Shares being suspended from listing.

Any change in the law and regulation affecting the Company may have a material adverse effect on the ability of the Company to carry on its business and successfully pursue its Investment Objective and on the value of the Company and the Shares. In such event, the investment returns of the Company may be materially adversely affected.

Regulation and tax in different jurisdictions

The regulatory and tax regimes which apply in the Isle of Man, Qatar and other GCC countries may change, thereby affecting the Company's tax treatment in these jurisdictions. The Company and the Investment Manager aim to structure the Company's investments in a manner that is generally tax efficient for the majority of Shareholders. However, there can be no assurance that the structure of the Company or of any investment will be tax-efficient to any particular Shareholder.

Changes in taxation legislation or practice may adversely affect the Company and the tax treatment for Shareholders investing in the Company. Changes in taxation legislation or practice, whether in the UK or elsewhere, could affect the value of the investments held by the Company, affect the Company's ability to provide returns to Shareholders, and affect the tax treatment for Shareholders of their investments in the Company (including rates of tax and availability of reliefs). Shareholders should consult their tax advisers with respect to their own particular tax circumstances and the tax effects of the a Tender Offer. Nothing in this document constitutes tax advice and must not therefore be treated as a substitute for independent tax advice.

Notes:

1. A member of the Company entitled to attend, speak and vote at the meeting convened by the notice set out above (the "**Extraordinary General Meeting**") is entitled to appoint a proxy to exercise all or any of his rights to attend, speak and vote at the meeting in his place. A proxy may demand, or join in demanding, a poll. A proxy need not be a member of the Company.
2. An instrument for the purposes of appointing a proxy accompanies this document (the "**Form of Proxy**"). Shareholders are advised that given the current restrictions imposed by the Isle of Man Government in response to the global COVID-19 pandemic, it may not be possible to attend the Extraordinary General Meeting in person. Shareholders are therefore strongly encouraged to complete and return the Form of Proxy to appoint the chairman of the Extraordinary General Meeting as their proxy. To be valid, the Form of Proxy and the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority, must be received at Mainstream Fund Services (IOM) Limited, Millennium House, 46 Athol Street Douglas, Isle of Man IM1 1JB by 11.00 a.m. on 17 April 2021 or not later than 48 hours before the time appointed for holding the Extraordinary General Meeting or adjourned Extraordinary General Meeting at which the person named in the instrument proposes to vote or, in the case of a poll, before the time appointed for taking the poll and, in default, the instrument shall not be treated as valid.
3. A member may appoint more than one proxy in relation to the Extraordinary General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. To appoint more than one proxy you may photocopy the enclosed Form of Proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope. A failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by you may result in the appointment being invalid.
4. In the case of a member which is a company, the Form of Proxy must be executed under the member's common seal (or in any other manner permitted by law and having the same effect as if executed under seal) or under the hand of a duly authorised officer, attorney or other person.
5. Completion of the Form of Proxy appointing a proxy does not preclude a member from subsequently attending and voting at the meeting in person if he so wishes (subject to the current restrictions imposed by the Isle of Man Government in response to the global COVID-19 pandemic).
6. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority will be determined by the order in which the names stand in the register of members in respect of the joint holding.
7. Pursuant to Regulation 22 of the Uncertificated Securities Regulations 2005 (Isle of Man), the Company specifies that only those members entered on the register of members of the Company as at 5.30 p.m. on 17 April 2021 (or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of Shares registered in their name at that time. Changes to entries on the register of members after that time (or, if the meeting is adjourned, on the register of members 48 hours before the time fixed for the adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00 a.m. on 17 April 2021. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service providers) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 18(4)(a) of the Uncertificated Securities Regulations 2005 (Isle of Man).
11. Resolution 1 is an ordinary resolution which is subject to the approval of the Independent Shareholders (as defined in the Circular) on a poll and each Independent Shareholder will be entitled to one vote for each ordinary share held. The Investment Adviser (as defined in the Circular), who is not an Independent Shareholder, will not vote on Resolution 1 and has undertaken to the Company not to do so.
12. Resolution 3 is a special resolution which is subject to the approval of Shareholders (as defined in the Circular) on a poll and each Shareholder will be entitled to one vote for each ordinary share held.
13. As at 24 March 2021 (being the last practicable date prior to the publication of this Notice) the Company's issued share capital consisted of 51,817,824 Shares of US\$0.01 each in the capital of the Company (excluding any shares held in treasury), carrying one vote each. Therefore, the total voting rights in the Company as at 24 March 2021 were 51,817,824 votes.
